505

FOR MANUFACTURING USE ONLY

KEEP OUT OF REACH OF CHILDREN

Active ingredients 7.5% phenyl mercuric acetate
Inert ingredients 92.5%

U.S.D.A. REG #6516-5

WARNING: This product is toxic and must be handled carefully. Contact with the skin even for short periods may result in skin irritation.

Wash hands promptly in cold water directly after handling. In the event of burning or blistering, treat the afflicted area, after washing, with a strong brew of tea. Do not use oils or grease. In all severe cases call a doctor at once. Keep away from humans, pets, and livestock.

DO NOT REUSE CONTAINER. DESTROY WHEN EMPTY

WARNING: May be fatal if swallowed! May produce delayed chemical burns! Do not breath fumes. Do not get in eyes, on skin or on clothing. In case of contact, wash skin with soap and water; for eyes, flush with water for at least 15 minutes; and get medical attention..

ANTIDOTE: If swallowed, call doctor at once. Have patient take whites of raw eggs, milk, gruel of flour and plenty of water. Then follow with a mixture of salt, soap or mustard (one tea-spoon in warm water to form a creamy paste) and warm water to induce vomiting. Repeat until vomit fluid is clear. Repeat white of eggs beaten in water or milk.

The fitness of this chemical is not warranted by the producer for any particular use, even though such use is known, and Buyer assumes all responsibility, including injury or damage resulting from its use as such, or in combination with other materials.
