CONSUMER PRODUCTS DIV. OF BLOX INDUSTRIES, INC.
EPA Reg. No. 6565-8

DIRECTIONS: Clean and brush your garments before storing. Use 1 POUND PARADICHLOROBENZENE for each 100 cu. ft. of closet space. Keep closed lightly closed during storage. If closet is opened occasionally add more PARADICHLOROBENZENE. DO NOT bring in contact with plastic. DO NOT mix with any other moth preventives. For maximum efficiency, do not open storage area for at least 7 days after addition of PARADICHLOROBENZENE.
