

66017
MOTH KILLER

NET. WT. 3 OZS (2 1/2 OZ. CAKES)

CAUTION

KEEP OUT OF REACH OF CHILDREN. If taken internally, call physician immediately. Harmful if swallowed.

DIRECTIONS: Remove MOTH KILLER from blister package. Remove Cellophane outer wrap and place block above clothes. Clean and brush your garments before storing. Use 1 lb. Para-dichlorobenzene for every 100 cu. ft. of storage space. Keep area tightly closed during storage. If Storage area is opened occasionally, add additional MOTH KILLER. DO NOT bring in direct contact with plastic. Do NOT mix with any other moth repellents. For maximum efficiency, do not store garments for at least 2 days after treatment of 100 cu. ft. of storage space.
