

SANI-KLOR

Chlorine Disinfectant

MILKING MACHINES

1. Draw at least 1 bucketful water thru milking machine while still attached to suction line. Repeat, using warm water and soapless cleaner, and rinse. Clean all metal parts of milking machine, and rinse.
2. Treat milking machine pail and cover same as other utensils.

CLEANING HANDS--COWS' UDDERS

1. Just before milking, wipe udders with clean cloth saturated with solution. Rinse cloth in solution after cleaning each cow. Wring cloth out well and dry udders.
2. Use a fresh pail of solution for each 7 or 8 cows.
3. Rinse hands in clean SANI-KLOR solution before milking each cow.
