KEEP OUT OF REACH OF CHILDREN

DANGER

FIRST AID

Have the product container or label with you when calling a poison center, doctor, or going for treatment.

IF ON SKIN: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call Poison Control Center or doctor for treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.minutes. Call Poison Control Center or doctor for treatment advice.

IF SWALLOWED: Call Poison Control Center or doctor for treatment advice. Have person sip a glass of water if able to swallow. Do not induct vomiting unless told by Poison Control Center or Doctor.

IF INHALED: Move person to fresh air. If perosn is not breathing, give artificial respiration, preferably, mouth-to-mouth if possible. Call Poison Control Center or doctor for treatment advice..

NOTE TO PHYSICIAN: Possible mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsions may be needed.

Palene (LN) 710-C

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling

Palene 710-C is for use on aluminum automobile evaporator cores to inhibit mold & mildew growth and to decrease the surface tension of water. This product is to be mixed only on-site with Palene 710-A and Palene 710-B and is to be used to coat final product only. To Prepare the Palene bath for process treatment, use 4 gallons of Palene 710-C with every 100 gallons of Palene 710-A (Polymer/Resin) and 7 gallons of Palene 710-B (Chrome Solution). The evaporator core is then fully dipped in the bath for a minimum of 10 seconds and is then dried and cured in the dry-off oven at 280°F for 30 minutes.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited.

STORAGE - Protect from frost. Store between 40°F - 100°F. Moisture and sunlight will not affect the product.

PESTICIDE DISPOSAL - Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL - Triple rinse (or equivalent). Then offer for recycling or re-conditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
