Back Panel

DIRECTIONS

Flies, Mosquitoes and Gnats

Close room and discharge spray mist vigorously toward the ceilings until the air is saturated. Leave room closed for 10 to 15 minutes. Sweep up dead and stupefied insects and destroy them. Repeat as needed.

CAUTION

Keep Out of Reach of Children

Harmful if swallowed. Avoid breathing of spray and avoid skin contact. In case of spillage on skin, wash with soap and water. Do not use on humans, pets or plants. Remove pets, birds and cover fish aquariums before spraying. Avoid contamination of foodstuffs, dishes and utensils. Do not remain in treated areas and ventilate the area after treatment is completed.

Do not re-use empty container. Destroy by crushing and burying in a safe place.

Do not use, pour, or spill near heat or open flame.
