

RESIDUAL SPRAY

RESIDUAL SPRAY

RESIDUAL SPRAY

DIRECTIONS FOR USE

TO KILL FLIES, MOSQUITOES, WASPS, AND FLYING MOTHS OUTDOORS:

For outdoors use only as an aid in reducing annoyance from these insects. Spray outside surfaces of screens, doors, windows or wherever these insects may enter the room. Also treat surfaces around light fixtures on porches, in garages and other places where these insects alight or congregate.

TO KILL FLEAS, CHIGGERS, ANTS AND BROWN DOG TICKS OUTDOORS:

For treatment of localized infestations of these insects in outdoor areas where there is no vegetation, spray infested areas thoroughly. For ants, thoroughly wet hills and runways. Repeat application as infestations warrant and as reinfestation occurs.

See Additional Directions On Other Panel

CAUTION!

HARMFUL IF SWALLOWED

Avoid prolonged inhalation and skin contact. Wash thoroughly after using. Do not use on household pets or humans. Do not use near fire or open flame. Keep container tightly closed. Avoid contamination of feed and foodstuffs.

DIRECTIONS FOR USE

WHEN USED INDOORS APPLY AS
SPOT TREATMENT ONLY

TO KILL ROACHES, ANTS, WATERBUGS, SILVERFISH, SPIDERS, CRICKETS:

Spray heavily into all cracks, around baseboards and other places where these insects hide. Also spray until wet, surfaces behind and beneath cabinets, refrigerators, sinks, stoves etc. Spray ant trails, other localized areas infested with these pests. Repeat treatment as required.

TO KILL CARPET BEETLES:

Make localized application to areas of the floor and baseboards. Spray directly into cracks and under carpets where insects may be found. Treat crevices, cracks, or closets and infested areas of shelvings. Repeat as necessary.

TO KILL BROWN DOG TICKS:

Thoroughly spray infested areas around baseboards, window and door frames, wall cracks, sleeping quarters of household pets and localized areas of floors and floor coverings. Application should be repeated as infestations warrant, and as reinfestations occur. Fresh bedding should be placed in animal quarters following treatment. Do not treat animals with this formulation.
