STABLES

**THIS PRODUCT IS NOT FOR  
USE INSIDE DAIRY BARN OR  
MILK HOUSES.**

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.

**CAUTION**

Harmful if inhaled, swallowed or absorbed through the skin. Avoid contact with skin, eyes and clothing. Wash thoroughly with soap and water after using. Do not use in dwellings, around milk or milk products. Avoid contamination of feed or food stuffs. Keep out of reach of children. Do not reuse empty container. Destroy it by perforating or crushing. Bury or discard in safe place. Avoid inhalation of spray mist. If swallowed, induce vomiting immediately and get medical attention.

This product is toxic to fish, birds and other wild life. Keep out of any body of water. Do not contaminate water by cleaning of equipment or disposal of excess.

**Directions For Application**

To control Flies, Mosquitoes, Gnats, Flying Moths and other small flying insects.

When fogging make application in still air or when wind velocities are under 3 or 4 miles per hour. Apply at rate of 5 pints per acre.

Avoid applying to valuable ornamental plants as injury may occur. Do not apply to or use near vegetables or fruit trees.

**HORSE STABLES**

To control Flies and Mosquitoes, before applying, reduce air movement as much as possible by closing doors, windows, and other openings. Do not treat animals or humans. READ WARNING STATEMENT BELOW. The fogger and operator should remain outside and the fog directed into the enclosure. One pint of fogging solution will treat 3,000 Cubic feet.
