

LIQUID WEED KILLER #1

CONTAINS DRIFT REDUCER

RECORDED
MAR 5 1975
662158

DIRECTIONS

WARNING: KEEP OUT OF REACH OF CHILDREN.
SEE OTHER PRECAUTIONS ON SIDE PANEL.

ACTIVE INGREDIENTS:

Petroleum oil	94.94%
2,4-Dichlorophenoxyacetic acid, isooctyl ester*	1.09%
Bromacil (5-bromo-3-sec-butyl-6-methyluracil)	0.98%
Pentachlorophenol	0.80%
Other Chlorophenols	0.09%
INERT INGREDIENTS	2.10%
Total	100.00%
*2,4-Dichlorophenoxyacetic acid equivalent	0.72%

To control most weeds and grasses for extended periods on non-cropland areas such as industrial plant sites, parking lots, loading ramps and around storage buildings and similar non-crop areas, apply 1 to 4 gallons per 1000 square feet of Liquid Weed Killer #1 with drift reducer after the most predominant weeds have emerged. No agitation is required. Liquid Weed Killer #1 with Drift Reducer can be applied with standard spray equipment. For treating small areas, a tank type hand sprayer or sprinkling can may be used.

NOTE: Users should consult State Agricultural Experiment Stations or Extension Service Weed Specialists for recommendations as to use of Liquid Weed Killer #1 with Drift Reducer in their particular area or write to us.

IMPORTANT: Do not apply directly to, or otherwise permit to contact susceptible plants as this product may injure cotton, beans, peas, grapes, flowers, fruit trees, ornamentals, or other desirable plants.

Avoid spray drift to such susceptible plants (coarse sprays are less likely to drift). Vapors from this Product may injure susceptible plants in the immediate vicinity. Do not apply to areas underlaid by roots of desirable trees and shrubs. Thoroughly clean spray equipment with a suitable chemical cleaner before other purposes (or do not use same equipment for other purposes). Do not store near fertilizers, seeds, insecticides or fungicides. Do not reuse this container.

Liquid Weed Killer #1 with Drift Reducer is toxic to fish and wildlife. Birds and other wildlife in treated areas may be killed. Keep out of lakes, streams, or ponds. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label. Do not contaminate water used for irrigation or domestic purposes.

WARNING: KEEP OUT OF THE REACH OF CHILDREN. HARMFUL IF SWALLOWED. CAUSES SKIN IRRITATION.

Avoid contact with skin, eyes, and clothing. Wash thoroughly after handling. In case of contact, flush with large amounts of water. For eyes, get medical attention. Remove and wash contaminated clothing before reuse.
