IMPORTANT: Read and follow all directions on label. Use this product in a manner consistent with its labeling. **Caution:** Resistant film treatments. To remove, scrub firmly on a flat surface. With other hand, squeeze sides of cap at flat spots where indicated by arrows and turn counter clockwise. Avoid squandering bottle while opening. To close, turn cap clockwise until tightly closed.

Important: Use only for toilet bowls. Do not use on toilet lids, seats, ventiles, bathtubs, shower tops, bathroom fixtures, metals and other surfaces should be washed off immediately to avoid possible damage.

General Cleaning: Remove cap. Squeeze bottle, directing bowl cleaner under rim and on sides of bowl. Replace cap. Brush clean and flush toilet. Rinse brush with clean water.

To Disinfect: Squeeze bottle under rim of bowl. Squeeze gently 1 oz. of bowl cleaner onto bowl brush. Clean entire unit, especially under rim of toilet. Allow to remain on surface. Flush and leave out bowl brush and clean water. A preliminary cleaning is necessary for removal of heavy soil prior to disinfection.

PRECAUTIONS: Avoid contact with skin. Avoid contact with eyes. Avoid contact with clothing. Avoid contact with animals. **CAUTION:** Avoid contact with skin. Avoid contact with eyes. Avoid contact with clothing. Avoid contact with animals. **CAUTION:** Avoid contact with skin. Avoid contact with eyes. Avoid contact with clothing. Avoid contact with animals.

FIRST AID	
If in eyes:	• Flush eyes with clean water and gentle eye water for 15-20 minutes. • If irritation persists, call a poison control center or doctor for treatment advice.
If on skin or clothing:	• Remove contaminated clothing. • Wash skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
If swallowed:	• Call a poison control center or doctor immediately for treatment advice. • Have a person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by the poison control center or doctor. • Do not give anything by mouth to an unconscious person.
If inhaled:	• Move person to fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration preferably by mouth-to-mouth, if possible. • Call a poison control center or doctor for treatment advice.

NOTE TO PHYSICIAN:
Probable mucosal damage may contribute to the use of specific drugs.

DO NOT USE IF:
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-424-9293 for emergency medical treatment information.

STORAGE AND DISPOSAL: Store in original container. Do not reuse empty container. Vinyl safety treatment in plastic bag and discard in trash.
