

PROFESSIONAL

ORKIN-TOX

Wood Preservative

CLEAR CONCENTRATE W/E

DIRECTIONS:
FOR USE BY ORKIN EXTERMINATING COMPANY
EXCLUSIVELY

ACTIVE INGREDIENTS:
Copper Naphthenate 40%
Refined Petroleum Hydrocarbons 35%
INERT INGREDIENTS 25%
(copper as metal 4%)

DIRECTIONS FOR USE

Mix one (1) part of Orkin-Tox Wood Preserver Clear Concentrate W/E with one (1) part water. Apply by spraying two applications of mixture directly on wooded surfaces which are to be protected from fungal rot or decay. Apply to point of runoff. Avoid spilling material on sidewalks, carports and basement floors or any other porous body which may be stained.

Harmful if taken internally. Causes eye irritation. Avoid inhalation of spray mist. Do not get in eyes or on skin. In case of contact flush with water! For eyes get medical attention.

Do not contaminate lakes, streams, or ponds with this material by direct application, cleaning of equipment or disposal of waste.

Do not re-use empty container. Destroy by perforating or crushing and burying in a safe place.
