

DIRECTIONS: Hold container upright, point spray opening away from you and press button.

TO KILL flies, mosquitoes, gnats, wasps, flying moths: Close all doors and windows and direct spray upward into center of room with a slow, sweeping motion. Fill the room with mist. Keep nozzle 3 feet from surfaces. Keep room closed for 15 minutes after spraying. Do not remain in treated areas and ventilate the area after treatment is completed.

TO KILL roaches, waterbugs, silverfish, crickets, spiders: Spray baseboards, cracks, crevices, moist areas and openings around sinks and pipes, bookcases, cabinets, and other hiding places, hitting the insects directly. Repeat as necessary.

TO KILL fleas: Spray floors and sleeping quarters of pets. Repeat spraying as often as necessary, do not spray on the pet.

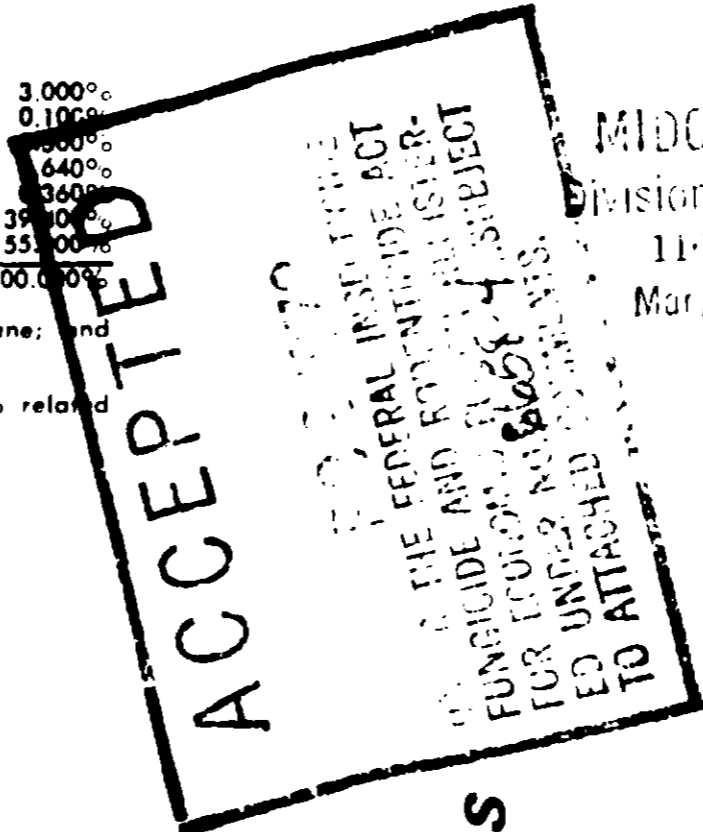

TO KILL carpet beetles: Spray on affected sections of floor, baseboards, underside of carpets, hitting the bugs directly with spray. Repeat as necessary.

ACTIVE INGREDIENTS:
Methoxychlor, technical*
Pyrethrins
Technical Piperonyl Butoxid**
Isobornyl Thioyanacetate
