

Excellent for cleaning and sanitizing wood, plastic and stainless steel counter tops and table tops where food is served and processed. Also for all bathroom fixtures, grouting, tile and shower stalls. It will leave the surface clean and free from odors and contains no abrasives, therefore, cannot wear off porcelain from bathtubs and wash stands. It is also excellent for cleaning vinyl, leather and plastic upholstery, varnished, painted and enameled surfaces, prevents daily dirt build up.

DIRECTIONS:

- Shake well before using.
- To clean: Spray evenly over surface then wipe clean. For heavy soiled surfaces, allow foam to remain up to a minute before wiping.
- To disinfect: After cleaning, spray and allow foam to remain two minutes or more before wiping. Wipe gently with a clean cloth. Repeat daily.
- Where food is served or processed, rinse sprayed surface with potable water before reuse.
