TOTAL 100.0%

EPA REG. NO. 6658-39  
EPA EST. NO. 6658-MO-1

KEEP OUT OF REACH OF CHILDREN

**ACCEPTED**  
NOV 0 2 2001

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide, registered under EPA Reg. No. 6658-39

**DIRECTIONS FOR USE:**

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

For use on telephones, door knobs, bed springs, diaper pails, toilet seats, sink tops, bed pans, garbage pails and desk tops.

For Hospitals, Institutions, Nursing Homes, Offices, Schools, Motels, and Hotels.

**DISINFECTANT AND DEODORIZING:**

For treatment of previously cleaned, hard, non-porous surfaces. Hold container 6-8 inches from surface to be treated. Spray so as to completely cover surface and allow to remain for a contact time of 10 minutes. Wipe off with a clean cloth or sponge.

**BACTERICIDAL ACTIVITY:** When used as directed, Pro-Magic Disinfectant Deodorant exhibits effective disinfectant activity against the organisms: Staphylococcus aureus (ATCC6538), Salmonella choleraesuis (ATCC10708) and Pseudomonas aeruginosa (ATCC 15442) on hard, non-porous environmental surfaces and meets AOAC Germicidal Spray Products Test requirements for hospital disinfectants.

**STORAGE AND DISPOSAL:**

Do not contaminate water, food or feed by storage and disposal.

**PESTICIDE STORAGE:** Do not expose to heat or store at temperatures above 120 F.  
**PESTICIDE DISPOSAL:** Waste resulting from the use of this product may be disposed of according to applicable Federal, State, or local procedures.

**CONTAINER DISPOSAL:** This container may be recycled at aerosol recycling centers. At present, there are only a few such centers in the country. Before offering for recycling, empty the can by using the product according to the label (DO NOT PUNCTURE!). If the recycling is not available, wrap the container in several layers of newspaper and discard in trash.

**CAUTION:**

**PRECAUTIONARY STATEMENTS:  
HAZARDS TO HUMANS AND  
DOMESTIC ANIMALS**

Causes eye and skin irritation. Do not get in eyes, on skin or clothing. Harmful if swallowed.

**FIRST AID:**

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

**IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything to an unconscious person.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

**IF INHALED:** Move person to fresh air. If person is not breathing, Call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

**NOTE TO PHYSICIAN:**

Probable mucosal damage may contraindicate the use of gastric lavage.

This product is not to be used as a terminal sterilant/high level disinfectant on any surface or instrument that (1) is introduced directly into the human body, either into or in contact with the bloodstream or normally sterile areas of the body, or (2) contacts intact mucous membranes but which does not ordinarily penetrate the blood barrier or otherwise enter normally sterile areas of the body. This product may be used to preclean or decontaminate critical or semi-critical medical devices prior to sterilization or high-level disinfection.

**CAUTION: PHYSICAL OR CHEMICAL HAZARDS**

Flammable. Contents Under Pressure.  
Do not use near fire, sparks, or flame. Do not puncture or incinerate container. Exposure to temperatures above 120° F may cause bursting. See back panel for additional precautionary statements.
