CHEMISTRY DOES THE WORK FOR YOU

## KNIGHT'S Spray nine

SPRAY NINE is a modern foaming hard-surface detergent that dissolves dirt on contact—destroys household germs and bacterial odors too.

### PRECAUTIONS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS: Causes eye irritation. Avoid contact with eyes or clothing. If eyes are touched, flush with plenty of water. Get medical attention if irritation persists.

### DIRECTIONS FOR USE

#### GENERAL CLASSIFICATION

Use according to General Label for each product in household use. In this label, the treated item is shown in contact with the product. It must be used with plenty of water before rinsing. WHEN SPRAYING, AVOID CONTAMINATION OF FOOD.

#### TO CLEAN

1. Spray on soiled surface.
2. After 20 seconds, wipe off soil with a damp sponge.
3. Rinse with clean water.
4. Spray Nine may require scrubbing or a second application.

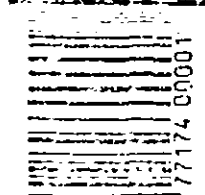

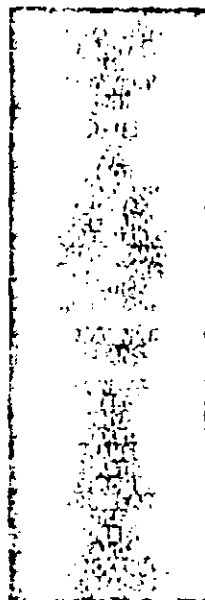

#### TO DISINFECT

1. Clean surface as directed above.
2. Respray surface thoroughly.
3. After 20 seconds, rinse thoroughly with clean water.
4. Rinse surface often in clean water.

#### DISPOSAL

Do not reuse empty container. Wrap container and dispose of properly.

For more information, see the back of the container or call 1-800-368-7272.
