

PARA NUGGETS

PARADICHLOROBENZENE

NET WEIGHT FIVE POUNDS

When exposed to the air, it evaporates, releasing a vapor which kills clothes moths and larvae and carpet beetles, when used as directed.

PROTECTS CLOTHES, FURS, BLANKETS, WOOLENS, AND RUGS FROM CLOTHES MOTHS AND CARPET BETTLES

DIRECTIONS

First brush and clean the articles to be stored. Clean seams and pockets. Remove all grease spots. Then air the clothes in the sunlight.

A temperature of 68° F during storage gives best results.

IN TRUNK AND CHESTS—Sprinkle GOLDEX PARA NUGGETS between the garments. Use not less than 4 oz. in small chest or trunk (5 cu. ft. of space). Use 8 oz. in large chest or trunk (10 cu. ft.). Keep container closed and air tight until garments are taken out for use.

IN CLOSED CLOSETS—Sprinkle GOLDEX PARA NUGGETS liberally over the top shelf and the floor of the closet. Use at least 1 lb. for small closets (about 7' x 2' x 2'). Use proportionately more for larger closets. Keep closet closed. Seal cracks with paper or cloth to make air tight. Supply of GOLDEX PARA NUGGETS should be replenished from time to time.

RUGS—sprinkle over entire surface of rug (1 lb. for 8 x 10 rug). Roll rug and wrap in heavy paper to make as air tight as possible.
LEAVES NO ODOR—The odor of GOLDEX PARA NUGGETS disappears quickly on the opening and does not cling to fabrics.

TO OBTAIN SATISFACTORY RESULTS DIRECTIONS MUST BE CLOSELY FOLLOWED

Keep contents of this container in a cool, dry place to avoid caking. USDA Reg. No. 6714-1. Reg. U.S. Pat. Off.
