KEEP OUT OF REACH OF CHILDREN
CAUTION

(See side panel for precautionary statements.)

NET WT. 9 OZ

DISPOSAL
Replace cap and discard container in trash.

TO APPLY
Remove cap. Aim arrow on valve toward surface to be sprayed. Hold can 6 to 8 inches from surface and press valve. Apply to all exposed skin areas except face. To apply to face, spray a small quantity on hands and spread on face. Keep out of eyes and mouth. Repeat as necessary.
Also apply to socks, pant cuffs and other openings in outer clothing. Safe to use on nylon, cotton and wool.
Do not use on acetate, rayon or dyne. May damage plastics, furniture or painted surfaces.

Insect Repellent Pressurized Spray
Not an insecticide - this product is an insect repellent.
Contains DEET for longer protection - resistant to perspiration, water and wear. Not greasy. Repels mosquitoes, biting flies, deerflies, stable flies, chiggers, and fleas on exposed skin and clothing. Also effective on bedrolls and tents. Repels mosquitoes, blackflies and sand flies on screens and netting.
