**PURSUE!**

**DEODORIZES  
 DISINFECTS**

Destroys household germs such as Staphylococci and Streptococci. Kills most odor-causing bacteria — doesn't merely "cover up". Inhibits the growth of many (or most) bacteria for days!

Spray in: damp areas, garbage cans, cellars, hampers, showers, sinks,

**PURSUE!**  
**DISINFECTANT SPRAY**

Destroys Household Germs  
 Kills Germ-caused Odors — At the Source!

**To Disinfect:** hold can 6-8 inches from surface and spray 2 to 3 seconds until surface is covered with mist.

**To Deodorize:** point at source of odor and spray for a few seconds.

**Active Ingredients:** o-phenylphenol 0.1%; N-alkyl (C<sub>12</sub> 92%; C<sub>16</sub> 8%) N-Ethyl Morpholinium Ethylsulfates 0.035%; Isopropyl Alcohol 67.748%.

**Inert Ingredients:** 32.117%.

**CAUTION** — Do not ingest or inhale mists. If ingested, drink 2-3 glasses of water
