## MSMA-6.66

Contains 6.66 lbs. MSMA per gallon  
(equivalent to 12 lbs. DSMA)

---

ACTIVE INGREDIENT:

Monosodium Acid Methanearsonate 51.19%

INERT INGREDIENTS 48.81%

TOTAL 100.00%

Total Arsenic, as elemental,  
all in water soluble form 23.70%

---

**CAUTION: KEEP OUT OF REACH OF CHILDREN.**

SEE SIDE PANEL FOR OTHER CAUTIONS.  
EPA Registration Number 6720-49

MANUFACTURED BY  
**Southern MILL CREEK PRODUCTS COMPANY, Inc.**  
TAMPA, FLORIDA

**A SELECTIVE DALLIS GRASS DESTROYER  
FOR DALLISGRASS CONTROL IN BERMUDA TURF LAWNS**

**DIRECTIONS**

FOR BEST RESULTS SOIL SHOULD BE MOIST AT THE TIME OF APPLICATION. Dry soil may not allow desirable turf to resist the action of chemicals. If soil is dry, first spray each acre (using fine spray or mist) with 50 gals. of water containing 2 qts. of Wetting Agent to assist penetration of irrigation water.

**RECOMMENDED RATES TO TREAT ONE (1) ACRE**

Mix at the rate of **2½ pints MSMA-6.66** in **40 gallons** of water. Thoroughly mix by agitation or recirculating solution in spray tank prior to application.

To decrease run-off and increase effectiveness of leaf absorption, add **1 to 2 pints** of Wetting Agent to this mixture.

Two or more treatments about 5 - 7 days apart may be necessary. MSMA-6.66 is effective at above rates if air temperature is 80 F. For temperatures below 80 F, use twice the amount of MSMA-6.66 to treat the same area.

**IMPORTANT:** DO NOT water for at least 24 hours after treatment. DO NOT use on ST. AUGUSTINE, CARPET OR CENTIPEDE GRASSES.

USE IN ACCORDANCE WITH DIRECTIONS, WARNING AND CAUTION.  
Clean equipment after use by flushing with water. Run rinse water in area away from domestic water sources.

Before using any Herbicide, stop and read the label.

**USE IN ACCORDANCE WITH DIRECTIONS, WARNING  
AND CAUTION**

**WARNING:** DO NOT spray or allow to drift onto desirable flowers, trees, shrubs, vegetables, or into lakes or streams. DO NOT store near fertilizer, fungicides, insecticides or seeds.

**CAUTION:** DO NOT get in eyes or on the skin. If spilled on skin, wash off immediately with warm water and soap. Flush eyes with clear water. Avoid any inhalation of spray mist. Avoid contamination of feed, food-stuffs, streams or other water sources. Keep beyond reach of children and domestic animals. Keep livestock off treated areas. Wash hands after using. Harmful if swallowed.

**ANTIDOTE:** If taken internally induce vomiting and call a physician at once.

**NOTICE**

Seller's guaranty shall be limited to the terms of the label and subject thereto. The buyer assumes any risk of damage to persons or property arising out of use or handling, and accepts the product on these conditions.
