FRONT PANEL

EMULSIFIABLE
10-1 PYRENONE CONCENTRATE

ACTIVE INGREDIENTS:

*Technical Piperonyl Butoxide-----	11.84%
Pyrethrins-----	1.18%
Petroleum Distillates-----	71.98%
INERT INGREDIENTS-----	15.00%
TOTAL-----	100.00%

*Equivalent to 9.47% (butylcarbityl) (6-propylpiperonyl)
ether and 2.37% related compounds.

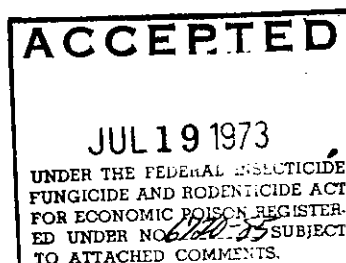

CAUTION

KEEP OUT OF REACH OF CHILDREN

See side panel for other cautions.

EPA Reg.No. 6720-85

Manufactured by: Southern Mill Creek Products Co., Inc.
Tampa, Florida

SMCP EMULSIFIABLE PYRENONE CONCENTRATE is an emulsifiable concentrated insecticide containing Pyrethrins in combination with Piperonyl Butoxide especially recommended, as a water based spray where the remotest possibility of fire hazard exists, in areas such as flour mills, ships, planes, etc.

SMCP EMULSIFIABLE PYRENONE CONCENTRATE should be diluted with water in accordance with recommended dilutions before using. For severe infestations on surface locations and in crevices:

Dilute one part SMCP 10-1 with four part of water and use as a direct contact spray. Thoroughly spray the infested areas making sure the mixture gets into cracks and hiding places of cockroaches & silverfish.

For normal insect control in the same area: Dilute one part of SMCP 10-1 with nine parts of water and use in the same manner as stated above.

Foods should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. When using the product in these areas, apply only when the facilities are not in operation.

NET CONTENTS

CAUTION

KEEP OUT OF REACH OF CHILDREN AS OIL BASE INSECTICIDES ARE HARMFUL IF SWALLOWED. Babies and small children should not be exposed to vapor produced by oil base insecticides. If insecticide is swallowed or if illness results from exposure to heavy fog or spraying CALL PHYSICIAN AT ONCE.

DO NOT store, spray or fog near fire or open flame. Avoid contaminating milk, milk equipment. DO NOT use on garden or house plants.

NOTICE: Seller's guaranty shall be limited to the terms of the label and subject thereto. The buyer assumes any risk to persons or property arising out of use or handling; and accepts the product on these conditions.

ether and 2.37% related compounds.

PRECAUCION - MANTENGASE FUERA DEL ALCANCE DE LOS NINOS.

SMCP PYRENONE CONCENTRADO EMULSIONABLE es un insecticida concentrado emulsionable que contiene Pyrethrins en combinación con Piperonyl Butoxide, especialmente recomendado como un rocío a base de agua, donde las posibilidades mas remotas de fuego existen en zonas tales como molinos de harina, aviones, barcos, etc.

SMCP PYRENONE CONCENTRADO EMULSIONABLE deberá ser mezclado con agua de acuerdo a las recomendaciones de dilución antes de usarse.

Para infestaciones severas en la superficie y en grietas: diluir una parte de SMCP 10-1 con cuatro partes de agua y usar como rocío de contacto. Rociar completamente las zonas infestadas vertiendo la mezcla en las grietas y lugares donde se esconden las cucarachas, lepismas. Repita cuando sea necesario.

Para control de insecto normal en la misma zona: diluir una parte de SMCP 10-1 con nueve partes de agua y usar de la misma manera que se describe arriba.

PRECAUCION - Comidas deben de ser removidas o tapadas durante tratamiento. Todas las superficies donde se procesan comidas deben de ser cubiertas durante tratamiento o limpiadas cuidadosamente antes de usarse. Cuando use el producto en estas áreas, aplíquelos solamente cuando el local no está operando.

PRECAUCION - MANTENER ALEJADO DEL ALCANCE DE LOS NIÑOS YA QUE INSECTICIDAS A BASE DE ACEITE SON DAÑINOS SI SE INGIEREN. Bebés y niños pequeños deben mantenerse alejados de los vapores producidos por insecticidas a base de aceite. Si el insecticida es ingerido o si exposición a los densos vapores o al rociar resulta en enfermedad, LLAMAR AL MEDICO DE INMEDIATO.

No almacene o rocíe cerca del fuego o llama viva. Evitar la contaminación de la leche o equipo lechero. NO USE en jardines o plantas del hogar.

NOTICIA - La garantía del vendedor se limita a los términos indicados en la etiqueta. El comprador asume todos los riesgos que resulten del manejo y uso de este producto y acepta el mismo dentro de estas condiciones.
