WAREHOUSE FOG INSECTICIDE

A semi-concentrated industrial type insecticide for use in thermal fog generators. To be used in institutions, dairies, bakeries, canneries, meat packing plants, flour mills, bottling plants, creameries, cheese factories, peanut mills, candy factories, citrus processing plants and similar industrial establishments. Warehouse Fog is effective against tobacco moth, grain moth, Indian meal moth, cadelle, granary weevil, roaches, flies, gnats, silver fish, rice weevil, tobacco beetle, sawtooth beetle, confused flour beetle, ants, mosquitoes, spiders, water bugs and certain other insects, when exposed to this fog.

DIRECTIONS

Apply at the rate of 1 - 2 oz. per 1000 cu. ft. Avoid exposure to insecticide smoke. A distance of at least 10 feet should be provided between the smoke nozzle outlet and interposing object or surface. DO NOT direct the smoke directly against a wall, floor or any object. Space treated should be kept closed for at least one hour, longer if possible. DO NOT remain in treated area. Ventilate after treatment is completed. Repeat treatment when necessary. Food should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. When using this product as a space spray in these areas, apply only when plant is not in operation.

ACTIVE INGREDIENTS:

Pyrethrins I - II	385%
Technical Piperonyl Butoxide*	1.900%
Petroleum Distillates	97.715%
TOTAL	100.000%

*Technical Piperonyl Butoxide 1.9% is equivalent to 1.5% (butylcarbityl) (6-propylpiperonyl) ether and 0.4% related compounds.

CAUTIONS

Harmful if swallowed. If insecticide is swallowed or if illness results from exposure to heavy fog or spraying, CALL PHYSICIAN IMMEDIATELY. DO NOT spray or fog near fire or open flame. Avoid contaminating milk, or milk equipment.

DO NOT use on garden or house plants.

NOTICE: Seller's guaranty shall be limited to the terms of the label and subject thereto. The buyer assumes any risk to persons or property arising out of use or handling and accepts the product on these conditions.
