

**DO NOT USE OR STORE NEAR HEAT OR OPEN FLAME
DESTROY EMPTY CONTAINER — PERFORATE OR CRUSH
DO NOT REUSE**

WARNING

FIRST AID TREATMENT

May be fatal if swallowed.

IF SWALLOWED: Give tablespoon of salt in glass of warm water. Repeat until vomit fluid is clear.

INHALATION: Remove patient from contaminated atmosphere.

SKIN: In case of contact, remove contaminated clothing and immediately wash skin thoroughly with soap and water.

EYES: In case of contact, flush immediately with water for at least 15 minutes.

INFORMATION FOR PHYSICIAN (Treatment): Give atropine preferably by injection, grains 1/30 to 1/15 (2 to 4 mg.) at once and every hour or oftener as needed to achieve and maintain full atropinization. Never give morphine. Clear chest by postural drainage. Artificial respiration or oxygen, administered may be necessary. Observe patient continuously for 48 hours. Commercial Operators should keep a supply of atropine 1/100 grain tablets.

NOTICE

Seller's guaranty shall be limited to the terms of the label and subject thereto. The buyer assumes any risk to persons or property arising out of use or handling, and accepts the product on these conditions.

WARNING:

DO NOT GET IN EYES OR ON SKIN OR CLOTHING.

Wear natural rubber gloves, protective clothing and goggles.

Wear a mask or respirator of a type passed by the U. S. Dept. of Agriculture for TRITHION protection.

Keep all unprotected persons out of operating areas or vicinity where there may be danger of drift. Vacated areas should not be re-entered until drifting insecticide has dissipated. In case of contact, wash immediately with soap and water.

Do not contaminate feed and foodstuffs.

Wash hands, arms and face thoroughly with soap and water before eating or smoking. Wash all contaminated clothing with soap and hot water before re-use. Store out of reach of children.
