STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE Store in a cool place, inaccessible to children and non-target animals. Avoid contamination with other acids or alkalis. Keep container closed. Store in original containers. Separate pesticides to avoid cross-contamination. Do not use pesticides for purposes not intended.

PESTICIDE DISPOSAL Pesticide wastes are toxic. Improper disposal of excess pesticides is a violation of Federal law. If these wastes cannot be disposed of in the usual manner, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL Completely empty container. Then dispose of empty container in a sanitary landfill, by incineration, or as directed by state and local authorities. Do not burn.

THIS PACKAGE MAY NOT BE BROKEN FOR RESALE. NOT FOR USE IN THE HOME.

NOTICE Seller's guarantee that the product is as labeled and suitable for the use intended. Buyer assumes all liability for damage or injury caused by the use of the product.
