CAUTIONS

Do not use within 30 days before or after sulphur applications. For best results, apply with an X-Cel Spray Sprayer. Do not use when plants are in wilted or weakened condition.

CAUTION: May be fatal if swallowed. Do not get in eyes, on skin or clothing. Do not breathe spray mist. May be absorbed through skin. Wash thoroughly after using. In case of contact, wash immediately with soap and water. For eyes, flush with water for 15 minutes. Do not contaminate feed or foodstuffs. Do not handle treated plants until dry.

Toxic to fish and wildlife. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not contaminate any body of water or apply to any area not specified on the label.

Birds feeding on treated areas may be killed. Do not apply when weather conditions favor drift from areas treated.

This product is highly toxic to bees exposed to direct treatment or residues on plants. Protective information may be obtained from your cooperative Agricultural Extension Service.

Do not reuse empty container. If spray is contaminated, crush and bury in a safe place.

CAUTION: STORE OUT OF REACH OF CHILDREN
