GENERAL USE PRECAUTIONS

This product is highly toxic to bees exposed to direct treatment or residues on plants. Protective information may be obtained from your Co-operative Agricultural Extension Service. DURS-BAN Plus also is toxic to fish, wildlife and birds. Do not contaminate water by cleaning of equipment or disposal of wastes. Promptly crush empty containers and bury them and wastes in locations away from domestic water supplies.

Use this product only as specified on this label.

Fish and Wildlife Precautions:

This product is toxic to fish, birds, and other wildlife. Keep out of lakes, streams, or ponds. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

**WARNING: KEEP OUT OF REACH OF CHILDREN
MAY BE FATAL IF SWALLOWED • MAY BE ABSORBED
THROUGH SKIN • MAY BE INJURIOUS TO EYES AND
SKIN • COMBUSTIBLE**

Do not take internally • Do not get in eyes or on skin • Wash thoroughly after handling • Wash contaminated clothing before re-use • Flush contaminated eyes with plenty of water and get prompt medical attention • Avoid breathing vapors and spray mist • Avoid spraying food crops • Keep away from food, feedstuffs and domestic water supplies • Keep container closed • DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME • Handle concentrate in a ventilated area.

Note to Physician: Chlorpyrifos and DDVP are cholinesterase inhibitors. Treat symptomatically. Atropine is an antidote.

Notice: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of MERCHANTABILITY or FITNESS FOR A PARTICULAR PURPOSE, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.

HOW DURSBAN* PLUS WORKS

DURSBAN Plus contains chlorpyrifos and dichlorvos (DDVP) insecticides and a wetting agent specially formulated for the control of Chinch Bugs, and Sod Webworms in deep thatch or dry conditions. This product combines the excellent kill qualities of chlorpyrifos with a wetting agent to insure deep penetration. The vapor action of DDVP acts as an irritant causing increased insect activity. DURSBAN Plus reaches down deep into the thatch and drives the Chinch Bugs out.

DIRECTIONS FOR USE

Pests of Lawns and other Ornamental and Recreational Turf Grass Areas: Use DURSBAN Plus insecticide to control ants, brown dog ticks, chinch bugs, crickets, cutworms, earwigs, grasshoppers and sod webworms (lawn moths). Mix DURSBAN Plus with water according to directions given in the following table and apply as a coarse, low pressure spray using suitable application equipment. For best results, the lawn should be moist at time of treatment, and care should be taken to obtain complete and uniform coverage of pest infested areas. Spray when pests first appear, retreat when needed.

E.P.A. Registration Number 6720-203

DOSAGE and DILUTIONS for USE on TURF

| Area to be Treated | Amount of DURSBAN* Plus Required | Dilute with Water to Give |
|--------------------|----------------------------------|---------------------------|
| 1,000 sq. ft. | 3 fl. oz. | 30 gallons |
| 5,000 sq. ft. | 15 fl. oz. | 150 gallons |
| 10,700 sq. ft. | 2 pints | 325 gallons |
| One Acre | 1 gal. | 1300 gallons |

Note: To help prevent infestation of buildings by ants, crickets, earwigs, and sowbugs (pillbugs) treat a band of soil 6 to 10 feet wide around and adjacent to the building, also the building foundation to a height of 2 to 3 feet where pests are active and may find entrance. Use the same dosage and dilution recommended for control of these pests on turf as shown in the above table. Apply as a coarse spray to thoroughly and uniformly wet the band area.

Warning: Keep children and pets off treated areas until spray has dried. Keep out of lawn and garden fishpools and other bodies of water. Fish may be killed if their waters are contaminated with this product. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated.
