Not Reviewed. Registrant claims to be in accordance with
Reregistration of Pesticide Product Guidance for Phase 2
Response, Page 2 12, Active to Inert Change in Status.

STORAGE AND DISPOSAL

STORAGE: Store in original container. Keep out of reach of children. Avoid contamination with water, acids or alkalis. DO NOT use heat or open flame. Keep container closed. Store in cool, dry, well-ventilated area. Do not store in areas where food or feed is stored. Do not store in areas where children play. Do not store in areas where pets are kept. Do not store in areas where food or feed is stored. Do not store in areas where children play. Do not store in areas where pets are kept.

PESTICIDE DISPOSAL: Pesticides should not be poured down the drain or into the water. If these wastes cannot be disposed of by use according to instructions, contact your State Pesticide or Environmental Agency or the Hazardous Waste Representative in your area for guidance.

CONTAINER DISPOSAL: Liquid containers should be recycled if possible. If not, they should be triple-rinsed and then disposed of in a sanitary landfill or by other approved method.

DISCLAIMER: EPA has not reviewed this pesticide for use on the following crops: ... (text is small and partially illegible) ...

Directions: apply as a thorough cover spray. Make application as needed or as noted in Rate Chart. Use coarse fan. Use clean sprayer. Flush sprayer after each use. (Note: DO NOT use on certain ferns, poinsettias within 6 months of opening. Keep tightly capped.)

ED NOTES
1 gal. Thoroughly wet down grass a few times before applying. For Lawn Billbugs water lawn immediately after treatment. In the North, if chinch bugs are the only problem a lower rate of application can be used: 4 fl.oz. (2 fl. oz.) in 3 gal. water covers 250 sq. ft.

1 gal. Wet leaves and branches to the dripping point. Try to hit underside of leaves and penetrate dense foliage.

1 gal. Wet leaves and branches to the dripping point. Try to penetrate dense foliage.

1 gal. Thoroughly spray window and door screens, sills, foundations, porch and patio walls and ceilings, entranceways, walks, garbage cans, tree trunks and fire cranks and other places where insects gather. DO NOT treat plants or animals.

g and chewing insects. Works fast, also removes eggs.
