PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals

CAUTION

Harmful if swallowed. Use this product only after processing has been finished and before cleanup crew begins work. Do not breathe dust. Avoid contact with skin, eyes, and clothing. May be absorbed through skin. Avoid contamination of feed and foodstuffs. Wash thoroughly with soap and water after handling.

Do not re-use this container. Completely empty the contents and dispose of the unused product so that there is no possibility of contamination of feed, food or water supplies. Crush the empty container and dispose of it in a similarly safe manner.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds, and other wildlife. Keep out of lakes, streams, or ponds.

Do not apply where runoff is likely to occur. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Storage - Avoid storage at high temperatures. Protect from moisture. Avoid contamination with water, acids or alkalies. Do not store near heat or open flame. Keep container closed. Store in original containers only. Separate pesticides to avoid cross-contamination of other pesticides, fertilizer, food and feed. Keep container in locked storage areas.

Pesticide Disposal - Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container Disposal- Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or if allowed by State and local authorities, by burning. If burned, stay out of smoke.

Diazinon (R) is a reg. trademark of Ciba Geigy Chemical Corp.
