

FRONT PANEL

FORMULATION 050
an industrial and household spray
for use against roaches and flies
and certain other pests

ACTIVE INGREDIENTS:

Diazinon [O,O-Diethyl O-(2-isopropyl-6-methyl-4-pyrimidinyl) phosphorothioate*]	0.500%
Petroleum distillate	99.425%
INERT INGREDIENTS:	0.075%

TOTAL: 100.000%

STATEMENT OF PRACTICAL TREATMENT

If swallowed - Call a physician or Poison Control Center immediately. DO NOT INDUCE VOMITING. Vomiting may cause aspiration pneumonia.

If inhaled - Remove victim to fresh air. Apply artificial respiration if indicated.

If on skin - Remove contaminated clothing and wash affected areas with soap and water.

If in eyes - Flush eyes with plenty of water. Call a physician immediately.

NOTE TO PHYSICIAN - Solvent presents aspiration hazard. Gastric lavage is indicated if material was taken internally. If symptoms of cholinesterase inhibition are present, atropine sulfate is antidotal. 2-Pam is also antidotal and may be administered in conjunction with atropine.

*Diazinon TM CIBA-GEIGY Corporation

CAUTION

KEEP OUT OF REACH OF CHILDREN

See side panel for additional caution instructions.

PRECAUTIONARY STATEMENTS, HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION

Harmful if swallowed. Keep out of reach of children. Avoid contamination of feed and foodstuffs. Avoid inhalation. May be absorbed through skin. Avoid skin contact. Wash thoroughly after handling. Avoid contact with eyes and clothing. Do not use on household pets or humans. Do not allow children in treated areas until surfaces are dry. Cover or remove aquaria in areas to be treated.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds, and other wildlife. Keep out of lakes, streams, or ponds. Do not apply where runoff is likely to occur. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

PHYSICAL AND CHEMICAL HAZARDS

DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME. N.Y.F.D.C. of A. No. 2563.

FORMULATION 050- An industrial and household spray for use against roaches and flies and certain other pests.

Do not use in the edible product areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use as a spot application only in places where insects have been observed. Roaches, Ants, Waterbugs, Silverfish, Spiders, Crickets. Spray in cracks, around baseboards and other places where these insects hide. Also spray surfaces behind and beneath cabinets, drinking fountains, refrigerators, sinks and stoves. Do not contaminate drinking water. Repeat as treatment is required. Flies, Mosquitoes, Wasps, and Flying Moths Outdoors. For outdoor use only as an aid in reducing annoyance from these insects. Spray outside surfaces of screens, doors, window frames, or wherever these insects may enter the room. Also treat surfaces around light fixtures on porches, receiving platforms, in garages, and other places where these insects alight or congregate.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Storage-Avoid storage at high temperatures. Protect from moisture. Avoid contamination with water, acids or alkalies. Do not store near heat or open flame. Keep container closed. Store in original containers only. Separate pesticides to avoid cross-contamination of other pesticides, fertilizer, food and feed. Keep container in locked storage areas.

If spilled, absorb with dry materials such as sand and sawdust and sweep up for disposal.

Pesticide Disposal- Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container Disposal- Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, incinerate, or if allowed by State and local authorities, burn. If burned, stay out of smoke.
