

[6 754-2] **PROFESSIONAL
ORKIN SPECIAL FORMULA FOR
FOOD PROCESSING PLANT**

**READY FOR USE
INSECTICIDE POWDER**

ACTIVE INGREDIENTS	0.33%
Pyrethrins	99.67%
INERT INGREDIENTS:	
Total	100.00%

DIRECTIONS

GENERAL TREATMENT--Apply a small amount of the powder directly to localized areas where cockroaches are found or normally occur, including dark corners of rooms and closets; cracks and crevices in walls; along and behind baseboards; beneath and behind sinks; stoves, refrigerators and cabinets, around plumbing and other utility installations. Do not use in edible products areas of food processing plants, restaurants, or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed. Do not allow dust to contact food, feedstuffs or water supplies. Thoroughly wash dishes and food handling utensils with soap and water if they become contaminated by application of this product.

FOOD HANDLING ESTABLISHMENTS — Places other than private residences in which exposed food is held, processed, prepared or served.

A. FOOD AREAS

Includes areas for receiving, storage, packing (canning, bottling, wrapping, boxing) preparing, edible waste storage and enclosed processing systems (mills, dairies, edible oils, syrups). Serving areas (when food is exposed and facility is in operation also would be considered a food area). Application limited to Crack and Crevice treatment only.

Apply in small amounts directly into cracks and crevices using a "bulbous duster" in points between different elements of construction, between equipment and floors, openings leading to voids and hollow spaces in walls, equipment legs and bases where cockroaches hide.

Care should be taken to avoid depositing the product onto exposed surfaces or introducing the material into the air. Avoid contamination of food or food processing surfaces.

B. NON-FOOD AREAS

Includes garbage rooms, lavatories, floor drains (to sewers), entries and vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, mop closets and storage (after canning or bottling).

Apply a small amount of the powder following general application methods in baseboard areas, around water pipes, surfaces behind and beneath sinks, lockers, tables, pallets and similar areas where cockroaches hide or through which they may enter.

CAUTION KEEP OUT OF REACH OF CHILDREN

GENERAL USE PRECAUTIONS

Do not reuse empty container. Do not contaminate water by cleaning equipment or disposal of wastes. Promptly crush empty containers and bury them and wastes in locations away from domestic water supplies.

Use this product only as specified on this label.
