DANGER

KEEP OUT OF REACH OF CHILDREN
May be fatal if swallowed. Do not breathe dust. Do not contaminate
feed and foodstuffs. Keep away from domestic animals. Wash thoroughly
after using. Clean up spillage.

POISON

ANTIDOTE: Give at once large draughts of lime water or weak
calcium chloride solution; stimulants of strong coffee or aromatic
spirits of ammonia; artificial respiration; keep lower extremities
and chest warm; digitalis hypodermically; 15 gr. calcium glucon-
ate intravenously.

DIRECTIONS:

For control of roaches, waterbugs: Apply powder to cracks, crevices,
and other places where these insects hide or congregate.

The dust should be placed only in areas inaccessible to children and
pets. Any powder visible after application is completed should be care-
fully brushed into the cracks and crevices or else removed.
