

# DIURON TECHNICAL

50 kgs.

## ACTIVE INGREDIENT

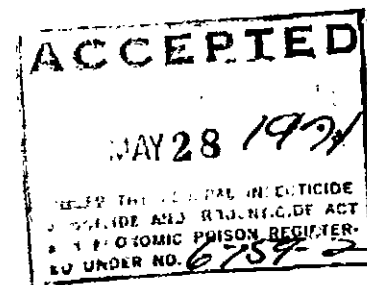

Diuron [3-(3,4-dichlorophenyl)-1,1-dimethylurea]..... 98%

INERT INGREDIENTS ..... 2%

Total ..... 100%

USDA Reg. No. 6759-2

Keep out of reach of children

## CAUTION!

AVOID BREATHING DUST  
HARMFUL IF SWALLOWED

MAY IRRITATE EYES, NOSE, THROAT AND SKIN

Avoid contact with skin, eyes  
and clothing

Avoid contact with the powder. Wash concentrate from skin or eyes immediately. Wash hands and exposed skin before meals and after work. Avoid working in spray mist. Store in original container tightly closed, in a safe place, away from food, feeding stuffs, seed and fertilizers. Empty containers completely and dispose of safely. Do not drain or flush spraying equipment on or near desirable trees or other plants, or on areas where their roots may extend. Prevent drift of dry powder or spray to desirable vegetation. Do not apply to sloping locations where wash-off through rain might cause aggregation of chemicals in areas containing valuable vegetation. Do not use equipment with which Diuron has been applied for spraying insecticides, fungicides and fertilizers, as plant injury may result
