

WEEDEX-10

DESCRIPTION

WEEDEX-10 kills most forms of undesirable weed growth, including Morning Glory, Bindweed, Canada Thistle, Sow Quack Grass, Poison Ivy, White Top, Horse Tail, and Tules. It kills the entire plant system by acting directly upon the living plant sap. It is absorbed through the leaves, stems, and roots, and proceeds through the fibrous portions of the plant to the extreme ends of root growth. It is difficult to prescribe the amount to use for all conditions. Therefore, it is best to use it freely to assure maximum kill. All of the foliage of the plant must be completely covered with the weed killer.

DIRECTIONS

ANNUAL WEEDS: Apply a dilution of 1 gallon of WEEDEX-10 with 10 to 25 gallons of suitable OIL (only) to 1000 to 1200 Sq. Ft. **PERENNIAL WEEDS:** Dilute 1 gallon of WEEDEX-10 with 15 gallons of oil and apply to 300 to 500 Sq. Ft. **KILLING TREES:** Pour WEEDEX-10 into deep gashes cut into tree trunk. For the best results treat plants during their dormant stage or when nearing maturity. Good results are obtained with Spring application. For deep rooted weeds and grass, such as Bermuda, Johnson, Bindweed and Quack Grass the heavier rate is recommended. Retreatment may be necessary to secure adequate control of certain hard-to-kill weeds.

CAUTION

WEEDEX-10 is non-selective and effects all types of vegetation. Extreme care should be exercised in its use to prevent killing lawns, shrubs, trees and other valuable plants. This includes the treatment of areas which may be underlaid by tree roots.

NON-SELECTIVE FAST ACTING WEED & BRUSH KILLER
EXCELLENT FOR MUNICIPALITIES, PLANTS, WAREHOUSES,
RAILROADS, CEMETERIES.

ACTIVE INGREDIENTS:

Pentachlorophenol	8.83%
Other Chlorophenols	1.02%
Petroleum Solvents	78.50%

INERT INGREDIENTS 11.65%

Feb. 13, 1973
6762-17
DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME.

CAUTION: KEEP OUT OF REACH OF CHILDREN.
See side panel for additional cautions.

Seller makes no warranty, expressed or implied concerning the use of this product other than indicated on this label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

CAUTION

Do not reuse empty container. Wash thoroughly with water and detergent. Discard in a safe place.

Do not reuse empty drum. Return to drum reconditioner or destroy by perforating or crushing and burying in a safe place.

Do not contaminate water used for irrigation or domestic purposes.

Avoid spray drift to desirable plants.

This product is toxic to fish and wildlife. Birds and other wildlife in treated areas may be killed. Keep out of lakes, streams, or ponds. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

HUMAN CAUTION

HARMFUL IF ABSORBED THROUGH SKIN. Avoid skin contact and wash off thoroughly after exposure. If on clothing, remove the clothes and wash. Avoid inhalation of dust or spray mist. Keep away from children, pets, livestock and foodstuffs.

Harmful if swallowed. Do not get in eyes or on clothing. Wash after handling.

ANTIDOTE: Give a tablespoon of salt in a glass of warm water and repeat until vomit fluid is clear. Then give 2 tablespoons of Epsom Salts of Milk-of-Magnesia in water and plenty of milk and water. Have victim lie down and keep quiet.

CALL A PHYSICIAN IMMEDIATELY.
