DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Microban Hospital Spray, should be applied with hand or power operated sprayers, foggers, automated watering systems or gravity drip dispensers as a broad spectrum bactericide, mold and mildewicide, fungicide and deodorizing agent to previously cleaned surfaces, spray areas until thoroughly moist, giving special attention to cracks and crevices. Allow ten to twenty minutes for drying. It is not necessary to wipe the sprayed surface. Microban should not stain those materials not stained by water. Microban is non-flammable.

Microban Hospital Spray when used as directed is effective in decontaminating bedding, mattresses, textiles, drapes, upholstered furniture, rugs, carpets and in storage areas to control mold, mildew, fungus and odors whenever they are a problem.

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: May be harmful if swallowed (inhaled or absorbed through the skin). Do not breathe vapors (dust or spray mist). Do not get in eyes, on skin or on clothing.

May cause eye (and skin) irritation.

GENERAL METHOD OF APPLICATION

Surfaces and objects must be cleaned of gross dirt with suitable detergent before treatment. Spray surfaces and articles until thoroughly wet, use enough so that treated surfaces and objects remain wet for at least 10 minutes. May be applied with a sponge to impervious covers and surfaces, allowing to dry for 10 minutes. For fogging and other large volume applications use appropriate spraying equipment, protective clothing, gloves and respirator. Heavily treated spaces should be adequately ventilated and not re-entered for at least one hour after treatment.

AS A BROAD SPECTRUM FUNGICIDE, MILDEWICIDE AND DISINFECTANT: (Kills most gram negative and gram positive bacteria and influenza virus) In hospitals, operating rooms, emergency rooms, lobbies, hallways, patient rooms, wards, washrooms, scrub stations, nap rooms, morgues, pathology labs, nurse's stations, laboratories, veterinary clinics, and other health care facilities; in schools, hotels, motels, restaurants, offices, homes, and industrial buildings.

For use on pre-cleaned hard non-porous surfaces such as tiled porcelain, waste receptacles, compaction, on, in and around rest room fixtures, toilet seats, locker rooms, telephones, door knobs, hospital apparatus and equipment, furniture, empty containerized storage units. For athletes foot fungus on floors, shower slats, rest rooms. Follow method of application specified above.

AS A BACTERICIDAL, FUNGICIDAL, AND DEODORIZING AGENT

Apply Microban Hospital Spray as directed to floors, walls, ceilings that have been damaged by smoke, fire, floods and sewage backups. For cleanup operations in areas such as attics, wall voids, basements, areas above suspended ceilings and similar inaccessible spaces in building. Spray entire, radiant and other animal and human wastes and carcasses as directed above, prior to removal and disposal. Treat spaces and surfaces as specified in method of application.

For use as a bactericidal, fungicidal, and deodorizing agent against odor-causing bacteria in carpeting, apply full strength until moist to nap (top), melting, and padding (when possible). Allow to remain until dry.

TO DISINFECT FARM PREMISES, POULTRY HOUSES, ANIMAL PENS AND VEHICLES

Remove animals, litter, feed feeding equipment. Remove gross dirt, droppings and clean all surfaces with suitable detergent. Apply Microban Hospital Spray full strength as directed in general method of application until thoroughly wet. Allow all surfaces to dry thoroughly, ventilate enclosed spaces adequately. Do not house animals in treated areas until thoroughly dry and free from odors. Thoroughly scrub all treated feed racks, mangers, troughs, automatic feeders, feeders and waterers with soap or detergent and rinse with potable water before reuse.

STORAGE AND DISPOSAL

Storage: Keep from freezing. Store in ventilated areas. Do not contaminate water, food or feed by storage and disposal. Dispose left overs in landfill approved for pesticides.

Disposal: Large containers (55 gallon drums and 5 gallon pails): Do not reuse empty container. Triple rinse and dispose in a landfill approved for pesticide disposal. Small container (1 gallon or less): Rinse thoroughly and discard with trash.
