DESCRIPTION

1. Best Lawn Feed Plus Weed Control is especially designed to feed green lawns and to control broadleaf weeds.
 2. Nitrogen, Phosphate and Potassium are combined in a ratio recommended by turf authorities.
 3. Added Sulfur, Iron, Zinc and Manganese help to increase chlorophyll content in many weather conditions.
 4. Dichloro and 2,4-D effectively control most common lawn weeds, annual 7-14 percent, including:
- | | | |
|-------------|------------|---------------------|
| Stink Grass | Hardy | Perennial Spurge |
| Crabgrass | Ground Ivy | Perennial Oenothera |
| Chickweed | Redtop | Stinging Nettle |
| Plantain | Plantain | Plantain |

WHEN TO USE

Best Lawn Feed Plus Weed Control should be used anytime weeds are actively growing. Maximum weed control will be obtained when applied to lawns during the growing season. Do not use on newly seeded lawns until after the third mowing.

DIRECTIONS FOR USE

1. Use only on green lawns including naturally St. Augustine, St. Augustine, Bahia, Zoysia.
2. Water lawns thoroughly before treatment. Do not water or mow lawn for at least two days after treatment. Use automatic watering system.
3. Apply to lawn at recommended rate when lawn is damp after rain, sprinkling or when no pollen will stick to weeds.
4. Avoid drift to or contact with desirable plants. Do not apply within distance of trees and shrubs.
5. Do not exceed recommended rate of application which is 5 lbs. per 1,000 square feet (2000).
6. Suggested Sprayer Settings* (10 to 200 psi, 80°)

CAUTION: THIS PRODUCT IS NOT TO BE USED IN CALIFORNIA, FLORIDA OR GUAM. Apply during cool & windy after treatment.

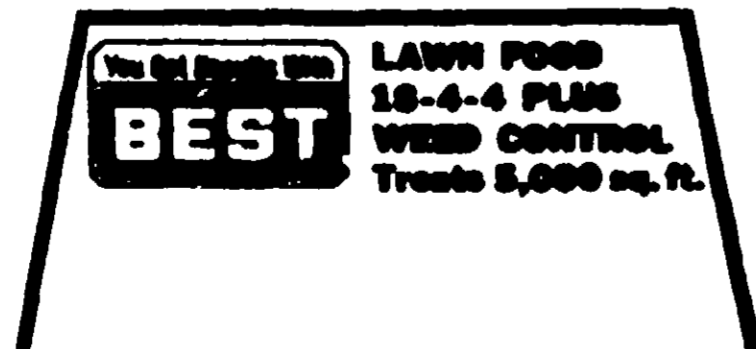

WARNING: Keep out of reach of children. Use only in accordance with label directions. May be fatal if swallowed or inhaled. If swallowed, induce vomiting. Call physician immediately. Avoid contact with skin, eyes, and clothing. Keep pets and children off treated areas until material has been washed into soil and lawn is dry. In case of contact with skin or eyes, wash with plenty of water. For eyes get medical attention. Wash hands with soap and water after handling and before eating or smoking. Wash clothing. Do not apply when weather conditions favor drift from areas treated. Do not apply directly on vegetables, fruits or crops. Do not store near fertilizers, seeds, insecticides or fungicides.

Some feeding on treated areas may be killed.
KEEP OUT OF ANY BODY OF WATER. DO NOT USE WHERE RUNOFF WILL CONTAMINATE STREAMS, LAKES, PONDS, IRRIGATION OR DOMESTIC WATER. Dispose of empty container or any spillage promptly—burn or bury.

NON-WARRANTY: Seller makes no warranty, express or implied concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions. Because the time, place, rate of application and other conditions are beyond seller's control, seller's liability from the handling and use of this product is limited to replacement or refund of purchase price. Return unused portions of bag to your best dealer for refund if not satisfied with results.
