

CAUTION: Harmful if swallowed or absorbed through the skin. Avoid contact with eyes, skin or clothing. Do not breath vapor or mist. In case of contact flush with water and wash skin and clothing with soap and water. Call physician immediately if swallowed or eyes contacted.

This product is toxic to fish and wildlife. Birds and other wild life in treated areas may be killed. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment, or disposal of wastes. Do not apply in any manner not specified in directions.

Non-selective weed killer. Do not apply to desirable plants or areas containing their roots. Do not store near fertilizers, seeds, insecticides or fungicides. Do not contaminate water used for domestic purposes or irrigation. Do not reuse this container for other purposes. Destroy by perforating or crushing. Bury or discard in a safe place.

NET CONTENTS:

REPCO-KILL LIQUID WEED KILLER

Active Ingredients	99.71%
Mixed Aromatic Solvents	96.29%
2, 4 - Dichlorophenoxy acetic Acid, Propylene Glycol Butyl Ether Esters*	1.46%
Bromacil (5-Bromo-3-sec-butyl-6- Methyluracil)	1.00%
Pentachlorophenol	0.86%
Other Chlorophenols	0.10%
Inert Ingredients	0.29%
TOTAL	100.00%

*2, 4-Dichlorophenoxyacetic Acid Equiv. 0.90%

CAUTION:: "KEEP OUT OF REACH OF CHILDREN".
"See side panel for additional cautions".

Recommended for use only on non-cropland areas such as industrials sites and railroad right-of-ways for weed control and semi-soil sterilent.

DIRECTIONS:

Apply **REPCO-KILL** undiluted, 40 gallons per acre to control most weeds and grasses for an extended time. Apply after most weeds have emerged. Can be sprayed or sprinkled on. If sprayed, adjust for coarse spray to prevent drifting. Users should contact agricultural experiment station or extension service weed specialist for recommendations as to use of **REPCO-KILL** in their area. (Thoroughly) clean spray equipment with a suitable chemical cleaner before using for other purposes or do not use same spray equipment for other purposes.

Vapor from this product may injure susceptible plants in the immediate vicinity.
