

New CLEAR MINT-10 makes a clear sparkling green solution when mixed with water that brings the delightful fragrance of wintergreen to your cleaning duties. Use CLEAR MINT-10 in sick rooms, nurseries, homes, restaurants for general disinfecting and deodorizing. CLEAR MINT-10 should be used at regular intervals to deodorize, sanitize and disinfect floors, lavatories, urinals, walls, telephones and other similar articles and areas that need cleaning and deodorizing.

**WARNING: Keep Out of Reach of Children.** Causes eye and skin irritation. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid contamination of food.

**FIRST AID:** In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, do not induce vomiting. Drink large quantities of fluid and call a physician immediately.

S. Aureus 18  
 S. Typhosa 12

**WARNING:** Keep Out Of Reach Of Children. See left panel for additional precautionary statements.

E.P.A. Reg. No. 6811-41

**USE DIRECTIONS:** To disinfect, use CLEAR MINT-10 with a cloth or mop and apply to walls and floors.

Use at 3 ounces per gallon. This product will be effective against Pseudomonas Aeruginosa PRD-10, Staphylococcus Aureus and Salmonella Choleraesuis at this level. This has been substantiated by the AOAC Use Dilution Method.

At 6½ ounces per gallon of water, CLEAR MINT-10 is fungicidal against pathogenic fungi such as Trichophyton Interdigitale.

**FOOD PROCESSING EQUIPMENT:** If used on food equipment or food contact items rinse with clear water of drinking quality. For heavy soil or organic matter, a precleaning step is recommended.

Rinse empty container thoroughly with water and discard.
