

Instructions: This is a specimen label. You may use this format in developing your own label. Substitute your product's name every place you see "LONZA DISINFECTANT CLEANER (30-3)". On the center panel place your own company name and address where you see "Lonza Inc., . . . etc." Substitute your EPA File No. for our "6836-22" registration number.

Use in hospitals, hotels, houses, restaurants, schools, and day care centers. Use in schools, day care centers, and homes. LONZA DISINFECTANT CLEANER (30-3) is recommended for this purpose. It kills germs, cleans, deodorizes, and is virucidal when used as directed. The broad surface disinfectant action will reduce the risk of cross-infection.

WARNING

Keep out of reach of children. May cause severe eye irritation or eye damage. Causes skin irritation. Do not get in eyes, on skin, or on clothing. Harmful if swallowed. Avoid contamination of food.

FIRST AID

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing. Store away from children.

For more information, call 1-800-368-7222.
