

Instructions: This is a specimen label. You may use this format in developing your own label. Substitute your product's name every place you see "LONZA MILDEW PREVENTATIVE B-20". On the center panel place your own company name and address where you see "Lonza Inc. . . . etc." Substitute your EPA File No. for our 6836-41 registration number.

LONZA MILDEW PREVENTATIVE B-20 is based on a highly-active Twin Chain quaternary ammonium compound. It prevents musty odors and discolorization on all fabrics due to molds, mildew, and fungi. The mildew inhibition of LONZA MILDEW PREVENTATIVE B-20 will last 3 weeks when used as directed. It is for use when middle-term mildew inhibition is desired. It is designed for commercial and institutional laundry use by addition to the final rinse or sour step. Fabric may also be preserved against mildew by soaking in a solution of LONZA MILDEW PREVENTATIVE B-20. For recommended solution concentration, see Use-Directions.

LONZA MILDEW PREVENTATIVE B-20 is economical to use because it is concentrated. It should be handled with care.

DANGER:

Keep Out of Reach of Children. Corrosive. Causes severe eye and skin damage. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful or fatal if swallowed. Avoid contamination of food.

FIRST AID:

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse.

If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution; or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression, and convulsion may be needed.

LONZA MILDEW PREVENTATIVE B-20

Twin Chain Quaternary
Ammonium Compound Concentrate

Mildew Inhibitor for Commercial
and Institutional Use

Active Ingredients:

Octyl decyl dimethyl ammonium chloride	25.0%

USE DIRECTIONS

For lasting mildew prevention, use LONZA MILDEW PREVENTATIVE B-20 as directed.

--For 2-week protection, use 1/2 ounce per 100 pounds of fabric (dry weight)

--For 3-week protection, use 1 1/4 ounces per 100 pounds of fabric (dry weight).

Dilute the appropriate amount of LONZA MILDEW PREVENTATIVE B-20 in one to two gallons of water; then add to the wash/heel in the final or sour rinse.

Retreat fabric after each washing.

Do not reuse empty drum. Return to drum reconditioner or rinse well with soap solution and discard. Do not contaminate water by disposal of waste.
