

Lonza Laundry Bacteriostat-Sanitizer is based on a highly-active mixture of three Twin Chain quaternary ammonium compounds

Soiled and contaminated fabrics such as diapers, hospital and institutional linen, and athletic equipment is of major housekeeping concern not only in hospitals but in institutions, hotels, restaurants, and schools. Used as directed, Lonza Laundry Bacteriostat-Sanitizer provides effective residual bacteriostatic and self-sanitizing properties for laundered items such as diapers, hospital and institutional linens, and athletic equipment. For residual bacteriostatic or self-sanitizing activity, conditions of high relative humidity or wet contamination are required. Lonza Laundry Bacteriostat-Sanitizer is designed for commercial and institutional laundry use by addition to the final rinse step. Laundered fabric may also be treated by soaking in a solution of Lonza Laundry Bacteriostat-Sanitizer. For recommended solution concentration, see "Directions for Use"

Lonza Laundry Bacteriostat-Sanitizer is economical to use because it is concentrated. It should be handled with care.

Precautionary Statements

Hazards to Humans and domestic animals

DANGER

Keep out of reach of children. Corrosive. Causes severe eye and skin damage. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful or fatal if swallowed. Avoid contamination of food.

Directions for Use GENERAL CLASSIFICATION

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

For residual bacteriostatic or self-sanitizing properties, use Lonza Laundry Bacteriostat-Sanitizer as directed.

— For residual bacteriostatic activity against gram negative and/or gram positive odor-causing bacteria, use 0.56 fluid oz. (3.5 teaspoons) per 100 lbs of fabric (dry weight.)

— For residual/self-sanitizing activity against *Klebsiella pneumoniae*, aberrant, ATCC No. 4352 and *Staphylococcus aureus*, ATCC No. 6538, use 0.56 fluid oz. (3.5 teaspoons) per 100 lbs of fabric (dry weights.)

Dilute the appropriate amount of Lonza Laundry Bacteriostat-Sanitizer in one to two gallons of water; then add to the washwheel in the final rinse.

Re-treat fabric after each washing.
