d Processing Equipment and Other Hard Surfaces in and Contact Locations. For sanitzing load processing equipment, dairy equipment, food utensits, dishes, s.tverware, glasses, sink tops, countertops, refingerated storage and display equipment and other hard non-porous surfaces. No Potable water rines is required.

Wash and rinse all articles thoroughly, then apply a solution of 1 oz BARDAC-205-7.5 in 4 gallons of water (150ppm active). Surfaces should remain wet for at least one minute followed by adequate draining and air drying. Fresh solution should be prepared daily or when use solution becomes visibly dirty. For mechanical application, use solution may not be reused for sanitizing applications

Apply to sink tops, countenops, reinquisted storage and display equipment and other stationary hard surfaces by cloth or brush or mechanical spray device. No Potable water rinse is reautred.

Dishes, silvenware, glasses, cooking utensils and other similar aize kind processing equipment can be sanitized by immersion in a 1 oz /4 gation solution of BARDAC-205-7.5. No Potable

water rinse is required. At 1 oz /4 pations BARDAC-205-7.5 fulfills the criteria of Appendix F of the Grade "A" Pasteurized Milk Ordinances 1978 Recommendations of the U.S. Public Health Services in waters up to 800 ppm of hardness calculated as CaCo, when evaluated by the AOAC Germicidal and Detergent Sanitizer Method against Escherichia coli and Staphylococcus aureus. The udders, flanks and tests of dairy cows can be sanitized by washing with a solution of 1 oz BARDAC-205-7.5 in 4 galions of warm water. No Potable water rinse la required. Use a fresh towel for each cow. Avoid contamination of sanitizing sciution by dirt and soil. Do not dip used towel back into san tizing solution. When solution becomes visibly dirty, discard and provide fresh solution.

Precautionary Statements Hazardous to Humans and Domestic Animals

# DANGER

heep Out of Reach of Children, Corrosive, Causes eye and skin irritation. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful if swallowed. Do not breathe sprey mist. Avoid contamination of food.

# Storage and Disposal

~ Do not contaminate water food, or feed by storage disposal.

~ Do not store on side

-- Ac it creasing or impacting of side walls

#### PESTICIDE DISPOSAL

Francial weater are acutely hazardous. Improper discosal of excess posticide, apray or mixture of insale is a violation of Federal Law, If these waster cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the rearest EPA Regional Office for griddence. CONTAINER DISPOSAL

Triple nase (or equivalight). Then offer for fedjoling or secresstioning or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and ideal authorities by burn-

ing if burned, stay out of smoke. Motal Container, Triple rinse (or equivalent), then offer for rucycling or reconditioning, or dispose of in a sanitary landfill, or by other procedures approved by state and local authorities. i'l container is 1 gallon or less, use this container disposal s atement )

Co not reuse empty container (bottle, can, bucket). Wrap continer and put in track.
