DANGER

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CORROSIVE Causes severe eye and skin damage. Harmful or fatal if swallowed. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Wash thoroughly with soap and water after handling. Avoid contamination of food.

STATEMENT OF PRACTICAL TREATMENT

For eyes and skin flush with plenty of water for at least 15 minutes. (Eyelids must be held open). Call a physician immediately. Remove contaminated clothing and wash before reuse. If swallowed, immediately give 3-4 glasses of water. Do not induce vomiting. Call a physician.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression, and convulsion may be needed.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. Do not discharge effluent containing this active ingredient into lakes, streams, ponds, estuaries, oceans or public waters unless this product is specifically identified and addressed in NPDES permit. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

FOR HELP IN A CHEMICAL EMERGENCY CALL CHEMTREC 800-424-9300
BEFORE USING CONSULT MATERIAL SAFETY DATA SHEET

PHYSICAL OR CHEMICAL HAZARDS

DO NOT USE OR STORE NEAR HEAT OR FLAME

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Benzethonium Chloride USP is a concentrate only. Use only in accordance with the label. See Bulletin from the manufacturer.

NOTE: This product should not be used or mixed with reducing or oxidizing agents (such as calcium hypochlorite, or nitric acid) since such a mixture is explosive. Do not use in conjunction with wetting agent. In preparing packaging materials use normal precautions for materials likely to create dust. Use away from dust away from operators.

STORAGE AND DISPOSAL

- Do not contaminate water, food, or feed.
- Do not store on side.

CLEANUP

Completely empty liner by shaking and tapping residue into application equipment. The liner, if allowed by State and local authorities, may be reused in the same manner.

WASTE

Pesticide wastes are acutely hazardous. If a spill or release is a violation of Federal Law, if label instructions, contact your State or local Waste Management Representative at the nearest EPA office.
