LONZA CARPET SANITIZER

CS-202

Lonza Carpet Sanitizer CS-202 is a low foaming carpet shampoo formulated for use with extraction and carpet steam cleaning equipment. CS-202 contains "twix chain" quaternary ammonium compounds to reduce the growth of gram negative and gram positive odor forming bacteria. CS-202 is fortified with proprietary odor counteractants to neutralize unpleasant odors. Recommended for use on washable synthetic fibers, but not recommended for use on wool carpets. CS-202 removes grasy soil, leaves no residue to promote resoiling and eliminates soil re-deposition to vacuum pick-up tanks.
