

**Precautionary Statements**  
**Hazards to Humans and Domestic Animals**

**WARNING**

Keep out of reach of children. Causes eye damage and skin irritation. Do not get in eyes, on skin, or on clothing. Wear rubber gloves when handling. Harmful or fatal if swallowed. Avoid contamination of food.

**ENVIRONMENTAL HAZARDS**

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

**STATEMENT OF PRACTICAL TREATMENT**

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse. If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution; or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal. Do not store on side. Avoid creasing or impacting of side walls.

**PESTICIDE DISPOSAL.**

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous waste representative at the nearest EPA Regional Office for guidance.

**CONTAINER DISPOSAL**

(Metal containers) Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities. Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke. (If container is one gallon or less, use this container disposal statement.) Do not reuse empty container (bottle, can, bucket). Wrap container and put in trash.

Manufactured by:  
LONZA, INC., 17-17 Route 208, Fair Lawn, NJ 07410

2 9 5

For use in households.  
Eliminates odors.  
Contains no dyes.  
Biodegradable.  
Concentrated - Makes up to 42 gallons.  
Original Scent: Eucalyptus and 67 exotic wild flowers.  
This product contains no phosphorous.

Cross-contamination is of major housekeeping concern not only in hospitals, but in schools, institutions, and industry. **Lonza Formulation L-7** has been formulated to aid in the reduction of cross-contamination in these areas.

When used as directed, **Lonza Formulation L-7** will deodorize surfaces in toilet areas, behind and under sinks and counters, garbage cans and garbage storage areas, and other places where bacterial growth can cause mal odors.

**Lonza Formulation L-7** reduces the surface tension of water, improving its wettability. Microbes are capable of mass reproduction in sub-visible pores and cracks of surfaces. The excellent wettability of **Lonza Formulation L-7** improves the penetration of the use solution into areas that otherwise might not be reached. **Lonza Formulation L-7** is effective against a wide variety of Gram positive and Gram-negative bacteria. It is also an excellent deodorant and is especially effective in controlling odors that are bacterial in origin and has a pleasant lemon odor.

**Lonza Formulation L-7** mixes with water to form clear, stable use solutions. Use solutions are non-corrosive and non-staining to plastic, vinyl, synthetics, enamel, tile and most common metals.

**Lonza Formulation L-7** can be used with a mop and bucket, trigger sprayers, sponge, or by soaking.

**Lonza Formulation L-7** provides effective cleaning strength that will not dull most metal-interlock floor finishes, and does not require a rinse prior to recoat.

**Lonza Formulation L-7** maximizes labor results by effectively controlling odors.

**Lonza Formulation L-7** Cleans, shines, deodorizes and disinfects all pre-cleaned non-porous household surfaces, inhibits the growth of mold and mildew, leaving bathrooms & kitchens clean and smelling fresh.

**Lonza Formulation L-7** is recommended for non-scratch cleaning of showers and tubs, shower doors and curtains, fixtures, and toilet bowls.

**Lonza Formulation L-7** is for use in kitchens, bathrooms and other household areas.

**Lonza Formulation L-7** kills household germs in minutes; effective against harmful pseudomonas, staph and strep, and influenza A/Brazil.

**Lonza Formulation L-7** is a neutral pH multi-surface cleaner, and deodorizer.

Use **Lonza Formulation L-7** on the multi-touch surfaces responsible for cross-contamination.

Use **Lonza Formulation L-7** on finished floors, high speed burnished floors, conductive flooring, tables, chairs, bathroom bowls, basins, counter tops, bed rails, door knobs and handles, glass surfaces including windows and mirrors.

**Lonza Formulation L-7** is effective at controlling mold and mildew odor on mattresses, pillows and shower curtains.

**Lonza Formulation L-7** is a balanced formulation combining Lonza's true odor counteractants, a non-ionic synthetic detergent, a quaternary ammonium compound, organic chelating agents and synergizing builders...for effective cleaning, and deodorizing when used as directed.

2

**Lonza Formulation L-7** is intended primarily as a heavy duty cleaner where true odor counteraction are also indicated. It is unexcelled for washing hard non-porous surfaces such as porcelain, tile, glass, stainless steel, chrome, rubber, plastic, metal, and does not damage washable painted, varnished or lacquered surfaces. It can be used on non-porous surfaces such as walls, tables, floors, chairs, counter tops, bathroom fixtures, sinks, bed frames, shelves, racks, carts, refrigerators, and other similar surfaces. Because **Lonza Formulation L-7** rinses spot-free, it is particularly suitable for linoleum, rubber sealed cork, vinyl and asphalt tile floors. It has superior rinsing qualities and is an excellent cleaner for marble or terrazzo. **Lonza Formulation L-7** is recommended for use on conductive flooring. For other specialized cleaning and disinfecting operations, consult your local (Company) representative.

This Industrial Liquid Odor Destroyer Leaves No Residue and has a Multitude of Uses: Odor removal from urine, mildew, smoke, pets, sewage backup, and decaying organic matter, instant action air freshener.

**Lonza Formulation L-7** is effective at eliminating odors on porous surfaces such as upholstery, drapes, carpets, bedding, shower curtains, mattresses and non-porous surfaces such as walls and floors. Affected areas should be saturated with enough **Lonza Formulation L-7** to remain damp for at least ten minutes. Excellent for fire restoration.

**Lonza Formulation L-7** may be used in hospitals, homes, medical and dental offices, nursing homes, day care centers, nurseries, restaurants, restaurants and bars, cafeterias, institutional kitchens, food storage areas, institutional facilities, public rest rooms, institutions, schools, athletic facilities, camp grounds, play grounds, public facilities, food processing plants, transportation terminals, hotels and motels, factories, business and office buildings, boats, ships, campers, trailers, mobile homes, cars, buses, trains, taxis, airplanes.

**Lonza Formulation L-7** may be used on washable hard non-porous surfaces including countertops, stovetops, exhaust fans, sinks, appliances, refrigerators, tables, picnic tables, outdoor furniture, chairs, desks, telephones, highchairs, bed frames, washable walls, cabinets, doorknobs, baby toys, telephones, shower stalls, tubs and tiles, toilets, portable toilets, porcelain tiling, garbage cans, stainless steel, enameled surfaces, woodwork, formica, vinyl, leather and plastic upholstery, bathtubs, shower stalls, sinks, urinals, toilet bowls, toilet bowl surfaces, related fixtures, walls, floors and other hard non-porous surfaces (such as metal, stainless steel, glazed porcelain, ceramic, fiberglass, stone and plastic).

Other suggested Uses include: Homes, Veterinary Clinics, Sewage Treatment Plants, Fish Markets, Kennels, Trash Compactors, Offices, Beauty Salons, Locker Rooms, Health Spas, Conference rooms, Elevators, Smoking Areas, Lounges, Day Care Centers, Dry Cleaners, Theaters, Farms, Auditoriums.

**Lonza Formulation L-7** kills common germs such as Escherichia coli (E. coli), Staphylococcus aureus (Staph), Salmonella choleraesuis (Salmonella), Streptococcus pyogenes (Strep) and Influenza A/Brazil (influenza) on pre-cleaned environmental surfaces. Prevents the growth of odor causing bacteria.

**Lonza Formulation L-7** is a Hospital Disinfectant for pre-cleaned surfaces at 5 ounces per gallon; is Bactericidal according to the AOAC Use-Dilution Test method, Virucidal\* according to the virucidal qualification, Mildewstat according to the EPA Mildewstat guidelines, against:

- |                         |                        |
|-------------------------|------------------------|
| Pseudomonas aeruginosa  | Aspergillus niger      |
| Salmonella choleraesuis | Candida albicans       |
| Staphylococcus aureus   |                        |
| Enterobacter aerogenes  | *Herpes Simplex Type 2 |
| Escherichia coli        | Influenza A/Brazil     |
| Shigella sonnei         |                        |
| Streptococcus pyogenes  |                        |

This product is not to be used as a terminal sterilant/high level disinfectant on any surface or instrument that (1) is introduced directly into the human body, either into or in contact with the bloodstream or normally sterile areas of the body, or (2) contacts intact mucous membranes but which does not ordinarily penetrate the blood barrier or otherwise enter normally sterile areas of the body. This product may be used to pre-clean or decontaminate critical or semi-critical medical devices prior to sterilization or high level disinfection.

**Directions for Use**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**(Instrucciones de uso)**

El empleo de este producto de manera contraria a lo indicado en su etiqueta constituye una violación de la Ley Federal.)

**Preparation of use-solution:**

Add 5 oz. per gallon of water, to disinfect hard, pre-cleaned non-porous surfaces.

For heavy duty use, add 7 oz. per gallon of water, to disinfect hard, pre-cleaned non-porous surfaces.

**(Preparación de solución utilizable:**

Agregar 5 oz. por galón de agua, para desinfectar superficies duras limpio no porosas.

Para uso pesado, agregar 7 oz. por galón de agua, para desinfectar superficies duras limpio no porosas.)

**Disinfection/Virucidal/Mold and Mildew Control direction:**

Remove gross filth or heavy soil, then thoroughly clean surfaces. Apply use-solution to hard (inanimate) non-porous surfaces thoroughly wetting surfaces as recommended and required, with a cloth, mop, sponge, or sprayer.

**(Instrucciones de desinfección/control de \*virucidad/mono y enmohecimiento:**

Remover la suciedad o tierra pesadas, destues limpiar totalmente las superficies. Aplicar la solución utilizable a superficies duras (inanimadas) no porosas mojando completamente las superficies segun lo recomendado y requerido, con un trappo, estropajo, esponja o rociador.)

For sprayer applications, use a coarse spray device. Spray 6-8 inches from surface, rub with brush, sponge, or cloth. Do not breathe spray mist.

(Para aplicaciones de rociador, utilizar un aparato de rociado grueso. Rociar 6 a 8 pulgadas desde la superficie, frotar con un cepillo, esponja o trapo. No respirar el vapor del rociador.)

Treated surfaces must remain wet for 10 minutes.

Prepare a fresh solution daily or when use solution becomes visibly dirty.

(Las superficies tratadas deben mantenerse mojadas durante 10 minutos. Preparar una solución fresca a diario o cuando la solución utilizable este visiblemente sucia.)

**Non-Acid Toilet Bowl Disinfectant/Cleanser**

**Directions:**

**From concentrate:**

Add 5 oz. to the toilet bowl and mix. Brush thoroughly over exposed surfaces and under the rim and flush.

Repeat for disinfection and allow to stand for 10 minutes and flush.

**From use-solution:**

Empty toilet bowl or urinal and apply a 5 oz./gal. use-solution to exposed surfaces including under the rim with a cloth, mop, sponge, or sprayer. Brush thoroughly over exposed surfaces including under the rim and flush.

Repeat for disinfection and allow to stand for 10 minutes and flush.

**(Instrucciones para el desinfectante/limpiador no acido de inodoro:**

**Con el Concentrado:**

Agregar 5 oz. a la taza del inodoro y mezclar. Cepillar completamente sobre las superficies expuestas y debajo del reborde. Repetir para desinfectar y dejando setar por 10 minutos y correr el agua.

**Con la solución utilizable:**

Vaciar la taza del inodoro o orinal y aplicar una solución utilizable de 5 oz./gal a las superficies expuestas, inclusive debajo del reborde, con un trapo, estropajo, esponja o rociador. Cepillar completamente sobre las superficies expuestas y debajo del reborde y correr el agua. Repetir para desinfectar y dejando setar por 10 minutos y correr el agua.)

**Deodorizing directions:**

**Nursing Homes, Hospitals, Hotels, Schools,**

**Restaurants:** 2-4 ounces in chemical toilets, waste receptacles, bed pans, drainage bottles, diaper pails, hampers, disposals, commodes and air conditioner pans will eliminate odors.

**Mopping Solutions, Automatic Scrubbers:** 4-8 ounces per gallon of cleaning solution eliminates undesirable odors.

**Laundry:** 4-8 ounces per load added during the final rinse cycle deodorizes all offensive odors.

**Air Freshener/Automotive Uses:** 16 ounces per gallon of water or desired concentration will effectively neutralize damp musty odors caused by mildew in storage areas, basements, closets and bathrooms.

Effective on smoking and cooking odors (garlic, fish, onions, etc.). Automobile odors from tobacco, musty carpet smell and beverage smells will be eliminated.

**Carpets:** 4-8 ounces per gallon of shampoo solution eliminates odors associated with urine, vomit, smoke, and mildew. Reapply after cleaning for freshening effects. Allow to dry.

**RV Holding Tanks:** Toilet waste: cover bottom of holding tank with water and add 3-6 ounces. If odors return before time to empty, simply add 1-2 ounces to the tank. Kitchen waste: 1-2 ounces of **Lonza Formulation L-7** to gray water tank as needed to control malodors created by dirty dish water.

**Pet Odors:** 16 ounces per gallon of water or desired concentration, for urine, feces, and vomit, in carpet and upholstery. Clean prior to application then spray onto affected areas. Test hidden area for colorfastness. Allow 10 minutes contact time. Then blot with clean cloth. Allow to dry. Also effective on pet bedding and litter boxes.

**Sewage Backup, Water Damage:** 16 ounces per gallon of water or desired concentration. Spray over affected areas before and after cleaning and extraction. Allow ten minutes contact time. Use proper ventilation; open windows.

**Cleaning Solution:** Dilute 4-8 ounces per gallon of water for cleaning of kitchen counters, tables, walls, bathrooms, toilet seats, mopping floors and large routine applications.
