OFFICE OF
PREVENTION, PESTICIDES
AND TOXIC SUBSTANCES

NOV 13 2009

Joanna Holcombe
Lonza, Inc.
90 Boroline Road
Allendale, N.J. 07401

Subject: Product Name: Dantobrom TBS
EPA File Symbol: 6836-255
Amendment Application Date: August 17, 2009

Dear Ms. Holcombe:

The Agency has reviewed your submission in accordance with continuing registration under the Federal Insecticide Fungicide and Rodenticide Act (FIFRA), as amended, and determined the action acceptable.

In summary, your request to revise the Storage and Disposal language in accordance with PR Notice 2007-4 and update the company address and provide additional product identification is accepted. A copy of your stamped label is enclosed.

Please provide a copy of your finished label for the file. Should you have any questions or comments concerning this letter, please contact Tom Luminello at (703) 308-8075.

Sincerely,

for Handwritten signature of Emily H. Mitchell in black ink.

Emily H. Mitchell, PM-32

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

DANGER. HIGHLY CORROSIVE. Causes irreversible eye damage and skin burns. May be fatal if swallowed. Do not take internally. Irritating to nose and throat. Avoid breathing dust. Use with adequate ventilation. Do not get into eyes, on skin or clothing. Wear rubber gloves when handling. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 – 20 minutes.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferable by mouth-to-mouth if possible.

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

PHYSICAL AND CHEMICAL HAZARDS:

STRONG OXIDIZING AGENT. Keep away from heat or flame. Mix only with water.

STORAGE AND DISPOSAL:

Store in original container in areas inaccessible to small children in a cool, dry, well-ventilated area. Do not store at elevated temperatures. Discard empty container in trash or offer for recycling if available.

SANITIZING FORMULA

Environmental Commitment:

Box made from 100% recycled paperboard (minimum 35% post-consumer)

Dantobrom TBS is a new form of brominating hydantoin for toilet bowls. When used as directed, **Dantobrom TBS** will sanitize toilet bowl water, keeping it clean, clear and free of odor. **Dantobrom TBS** gives the effectiveness of chlorine without the chlorine odor. **Dantobrom TBS** sanitizes toilet bowl water by killing 99.9% of all germs within one minute after each flush. Each tablet sanitizes for 7 weeks. Eliminates 99.9% of germs within one minute after each flush.

Tablets should be used in toilets that are flushed (daily) (regularly).

For best results, clean toilet thoroughly first, including under the rim. Do not touch tablet directly. Remove tank cover and cut open package.

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To Sanitize, Clean, and Deodorize:

Flush toilet. When water level in tank is low, drop tablet into [tank near sidewall closest to float and away from water valve opening] [right rear corner of the tank]. When tablet has dissolved, replace with a new tablet. Each tablet sanitizes for 7 weeks.

Questions? Comments? Call (insert telephone number here)

[This product contains no phosphates or phosphorous compounds. No mess. Does not harm plumbing or septic tanks. Concentrated. Leaves bowl 99.9% germ free. Powers away 99.9% of germs. Leaves bowl sanitary (with each flush). Reduces odor-causing germs. Helps keep your bowl continuously clean. Helps clean and deodorize (with bleach power)(with the power of bleach). Bleach power without the overwhelming bleach odor. Each tablet helps clean and deodorize. *Long lasting (long life)

*One tablet sanitizes for seven weeks]
