JUL 10 1998

NOTICE OF PESTICIDE:
 Registration
 Reregistration

Term of Issuance:
Conditional

Name of Pesticide Product:
Dantochlor TBS-2

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Lewis & Harrison
Agent for Lonza, Inc.
122 C Street NW, #740
Washington, DC 20001

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Antimicrobials Division prior to the use of the label in commerce. In any correspondence on this product always refer to the above EPA regulation number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right of exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Revise the EPA Registration Number to read, "EPA Reg. No. 6836-263".
3. Submit two copies of the revised final printed label and the corrected CSF for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

Copies of the science reviews and a stamped copy of the label are enclosed for your records.

Signature of Approving Official:

Robert S. Brennis
Product Manager 32

Fungicide, and Rodenticide Act as
amended, and the pesticide,
registered under EPA Reg. No.

6836-263

Dantochlor TBS-2 is a new form of chlorinating hydantoin for toilet bowls. When used as directed, Dantochlor TBS-2 will sanitize toilet bowl water, keeping it clean, clear and free of odor. Dantochlor TBS-2 gives the effectiveness of chlorine without the chlorine odor.

Dantochlor TBS-2 sanitizes toilet bowl water by killing 99.9% of all germs within one minute after each flush. Each tablet sanitizes for one month. Eliminates 99.9% of germs within one minute after each flush.

Remove tank cover and cut open package.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

To Sanitize, Clean, and Deodorize:

1. Clean toilet bowl thoroughly including under the rim.
2. Remove toilet tank top. Hold plastic pouch away from face. Cut pouch open with scissors on dotted lines. **Do not touch tablet.**
3. Flush toilet. Before tank refills, hold plastic pouch over tank and drop only the Dantochlor TBS-2 tablet into the right rear corner of the tank. (See diagram) Discard plastic pouch and wash hands thoroughly.
4. No removal necessary. Each tablet sanitizes for one month. When tablet has dissolved, replace with a new tablet. Product should only be used in a toilet that is flushed regularly.

STORAGE AND DISPOSAL

Store in original container in areas inaccessible to small children in a cool, dry, well-ventilated area. Do not store at elevated temperatures. Discard empty container in trash.
