LONZA, Inc.
90 Boroline Road
Allendale, NJ 07401

Subject: DANTOGARD PLUS LIQUID
EPA Registration No.: 6836-271
Application Date: December 05, 2011
EPA Receipt Date: December 08, 2011

Dear Ms. Holcombe,

This letter acknowledges receipt of your notification submitted under the provisions of FIFRA section 3(c)9 and PR Notice 98-10.

Proposed Notification

LONZA, Inc is submitting additional label changes for the following:

- Modifying container disposal language for non dilutable formulation
- Add Spanish signal word, DOT symbols
- Optional Spanish statement and English translation text

General Comments

Based on a review of the submitted materials, your notification for additional label changes as referenced above is acceptable. A copy of the accepted notification has been inserted in your file for EPA Reg. No. 6836-271.

Should you have any questions or comments concerning this letter, you may contact me by telephone at (703) 308-6416 or by e-mail at campbell-mcfarlane.jacqueline@epa.gov or Lorena Rivas by telephone at (703) 305-5027 or by e-mail at rivas.lorena@epa.gov. When submitting information or data in response to this letter, a copy of this letter should accompany the submission to facilitate processing.

Sincerely,

Jacqueline Campbell-McFarlane
Product Manager (34)

**SUBJECT: Dantogard Plus Liquid, EPA Reg. No. 6836-271
Application for Label Notification**

Dear Ms. McFarlane:

I am submitting an application to correct the Container Disposal directions for the abovementioned product label. This product is not a dilutable formulation, therefore, the "Triple rinse (or equivalent)" language should not have been changed when the other Storage and Disposal changes were made per PR Notice 2007-4. That language has been restored, and the note to reviewer altered.

Additional changes to the label include:

- Optional Spanish signal word;
- Placeholder for non-FIFRA DOT Symbols; and
- Optional Spanish statement and English translation:
*{If the following Spanish statement is used, it must appear directly above DIRECTIONS FOR USE.}
Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted en detalle. [If you do not understand the label, find someone to explain it to you in detail.]*

Please find the enclosed documents in support of this notification:

- Application for Notification;
- Certification with Respect to Label Integrity;
- CD with label; and
- One copy of the proposed label with changes highlighted.

If you have any questions or need any additional information, please feel free to contact me at 201-316-9297.

Sincerely,
Lonza Inc.

Joanna Holcombe

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION. Harmful if swallowed, absorbed through the skin or inhaled. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Avoid breathing vapor. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

FIRST AID

Call a Poison Control Center or doctor for treatment advice.

IF IN EYES: Hold eyes open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.

IF ON SKIN: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 - 20 minutes.

IF SWALLOWED: Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told by a Poison Control Center or doctor.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible.

Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment. In case of emergency or for additional information call *(insert phone number)*.

ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

*{If the following Spanish statement is used, it must appear directly above DIRECTIONS FOR USE.}
Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted en detalle. [If you do not understand the label, find someone to explain it to you in detail.]*

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

DANTOGARD PLUS LIQUID preserves and aids in the control of bacteria and fungi in liquid detergents, fabric softeners, household cleaning products, soft soaps, water-based paints for household and industrial use, room deodorizers and air fresheners, water-based surfactants, polymer emulsions, protective or decorative coatings, water-based gels for household and industrial products, textiles, water-based adhesives, sealants and caulks, latex for paper coatings, and water-based inks.

This product is not cleared by the Federal Food, Drug and Cosmetic Act for use on food-contact paper and adhesives.

DANTOGARD PLUS LIQUID must be added to the formulation to be preserved at a rate of 2.0 to 20.0 lbs. per 1000 lbs. or 0.2% to 2.0% or 2,000 to 20,000 ppm based upon the total weight of the product to be protected.

METALWORKING FLUID PRESERVATION:

DANTOGARD PLUS LIQUID is used to control bacterial and fungal growth in metalworking fluids when added at a concentration of 0.07% - 0.45%.

Redose as necessary depending upon the rate of preservation dilution with makeup fluid, the nature and severity of contamination, level of microbial control required, filtration effectiveness, system design, etc.

{Note to reviewer: For Nonrefillable Containers, not a dilutable product. Chapter 13, Table 6 of the Label Review Manual states that for "All products in containers that could be burned," the registrant has the option to "Remain silent on burning;" therefore, no incineration language is provided for plastic containers.}

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Open dumping is prohibited. Store in original container in areas inaccessible to children.

Pesticide Disposal:

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container Disposal:

Nonrefillable container. Do not reuse or refill this container. Clean container promptly after emptying.

{Plastic and Metal Containers:} Triple rinse (or equivalent). Then offer for recycling or reconditioning. If not available, puncture and dispose in sanitary landfill.

{Metal containers only:} DO NOT cut or weld metal containers.

{Bag in Box Containers:} Completely empty bag into application equipment. Then offer for recycling if available or dispose of in a sanitary landfill, or by incineration, or by other procedures allowed by state and local authorities.
