OFFICE OF CHEMICAL SAFETY AND POLLUTION PREVENTION

May 31, 2016

Mr. Jonathan Walsh Regulatory Assurance Specialist Lonza, Inc. 90 Boroline Road Allendale, NJ 07401

Subject: Notification per PRN 98-10 – Optional Marketing Icons Product Name: Dantobrom TBS-5C EPA Registration Number: 6836-275 Application Date: April 29, 2016 Decision Number: 517489

Dear Mr. Walsh:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Antimicrobials Division (AD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped "Notification" and will be placed in our records.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

#### PRECAUTIONARY STATEMENTS

## HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**DANGER.** Highly corrosive. Causes eye and skin damage. **DO NOT TAKE INTERNALLY.** May be fatal if swallowed. Irritating to nose and throat. Avoid breathing dust. Use with adequate ventilation. Do not get into eyes, on skin or clothing. Wear rubber gloves when handling. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse.

#### FIRST AID

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

**IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 – 20 minutes.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferable by mouth-to-mouth if possible.

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment.

**NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate the use of gastric lavage.

#### PHYSICAL AND CHEMICAL HAZARDS:

STRONG OXIDIZING AGENT. Keep away from heat or flame. Mix only with water.

{Note to reviewer: The following is considered optional marketing language:}

Questions? Comments? Call (insert telephone number here)

When used as directed, **Dantobrom TBS-5C** will sanitize toilet bowl water, keeping it clean, clear and free of odor. **Dantobrom TBS-5C** gives the effectiveness of chlorine without the chlorine odor. **Dantobrom TBS-5C** sanitizes toilet bowl water by killing 99.9% of germs within one minute after each flush. Each tablet sanitizes for 13 weeks. Eliminates 99.9% of germs within one minute after each flush. Kills Escherichia coli [E. coli], Enterococcus faecalis, Salmonella enterica [salmonella], and Staphylococcus aureus [staph].

Tablets should be used in toilets that are flushed [daily] [regularly].

For best results, clean toilet thoroughly first, including under the rim with a toilet bowl cleaner. Do not touch tablet directly.

Remove tank cover and cut open package.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

#### To Sanitize, Clean, and Deodorize:

Flush toilet. When water level in tank is low, drop tablet into [tank near sidewall closest to float and away from water valve opening] [right rear corner of the tank]. When tablet has dissolved, replace with a new tablet. Each tablet sanitizes for 13 weeks.

{Note to reviewer: For Nonrefillable Containers, Household/Residential Uses; Ready to Use Product - not a dilutable per PRN 2007-4}

## STORAGE AND DISPOSAL:

Store in original container in areas inaccessible to children in a cool, dry, well-ventilated area. Do not store at elevated temperatures. Nonrefillable container. Do not reuse or refill this container. Discard empty container in trash or offer for recycling if available.
