Technical BCDMH EPA Reg. No. 6836-318

NOTIFICATION PER PR NOTICE 98-10 THIS SUBMISSION IS NOT SUBJECT TO FEES UNDER PRIA

Dear Mr. Luminello,

Lonza is submitting a **Notification per PR Notice 98-10.** There is an apparent typographical error on the label stamped by the Agency on October 14, 2004. The Signal Word in the PRECAUTIONARY STATEMENTS does not agree with the Signal Word shown under the KOOROC statement.

The proposed change is to correct this error so that the Signal Word shown in both locations reads "DANGER".

In support of this Notification, enclosed are the following:

- 1. EPA Form 8570-1, Application for Pesticide Amendment, OPP ID No. 296591
- Three copies of the revised label with one copy highlighted for ease of review.

This notification is consistent with the provisions of PR Notice 98-10 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

If you have any questions, please call me at 1-800-777-1875, ext. 9365.

Thank you.

Sincerely yours Lonza Inc

W/

Robert J.\2foan.

Sr. Regulatory Services Associate

TECHNICAL BCDMH

For Repackaging or Reformulating as a Disinfectant, Sanitizer, Fungicide, Bactericide, Algaecide and Molluscicide

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC
ANIMALS: DANGER: Highly corrosive. Causes
skin and eye damage. May be fatal if swallowed.
Irritating to nose and throat. Do not get in eyes, on
skin or on clothing. Avoid breathing dust and fumes.
Wear goggles or safety glasses and rubber gloves
when handling this product. Remove contaminated
clothing and wash clothing before reuse.

PHYSICAL AND CHEMICAL HAZARDS: STRONG OXIDIZING AGENT: Do not mix with other chemicals. Mix only with water by adding product to large quantities of water. Never add water to product. Use clean, dry utensils. Do not add this product to any dispensing device containing remnants of any other product. Such use may cause a violent reaction leading to fire or explosion. Contamination with moisture, organic matter or other chemicals will start a chemical reaction and generate heat, hazardous gas, possible fire and explosion. In case of contamination or decomposition, do not reseal container. If possible, isolate container in open air or well ventilated area. Flood with large volumes of water.

ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the FPA

Active Ingredients:

1-Bromo-3-chloro-5,5-dimethylhydantoin 97.7% Inert Ingredients: 2.3% Total: 100.0%

KEEP OUT OF REACH OF CHILDREN DANGER

See back/side panel for additional precautionary statements.

	FIRST AID					
	Take off contaminated clothing. Rinse					
OR ON	skin immediately with plenty of water for					
CLOTHING	15-20 minutes. Call a poison control					
	center or doctor for treatment advice.					
IF INHALED	Move person to fresh air. If person is not					
	breathing, call 911 or an ambulance, then					
	give artificial respiration, preferably mouth-					
	to-mouth if possible. Call a poison control					
	center or doctor for further treatment					
	advice.					
IF IN EYES	Hold eye open and rinse slowly and gently					
-	with water for 15-20 minutes. Remove					
	contact lenses, if present, after the first 5					
	minutes, then continue rinsing eye. Call a					
	poison control center or doctor for					
	treatment advice					
IF	Call a poison control center or doctor					
SWALLOWED	immediately for treatment advice. Have					
STIALLOTTED	,					
	person sip a glass of water if able to					
	swallow. Do not induce vomiting unless					
	told to do so by a poison control center or					
•	doctor. Do not give anything by mouth to					
	an unconscious person.					
Have the product container or label with you when calling a						
	ol center or doctor, or going for treatment.					
NOTE TO PHY	SICIAN: Probable mucosal damage may					

contraindicate the use of gastric lavage.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product may be used for repackaging or reformulating as a disinfectant, sanitizer, fungicide, bactericide, algaecide and molluscicide. Registration by the US Environmental Protection Agency is required before the new product can be lawfully distributed in interstate commerce.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

PESTICIDE STORAGE: Keep this product in original, tightly closed container when not in use. Store in a cold, dry, well-ventilated area away from heat or open flame. Moisture may decompose this product and cause a violent reaction leading to fire and explosion. In case of decomposition, isolate container if possible and flood are with large amounts of water to dissolve all material before discarding this container.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticides, spray or mixture of rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for quidance.

CONTAINER DISPOSAL: Plastic Pails or Drums:

Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. DO NOT REUSE EMPTY CONTAINER. Triple rinse (or equivalent). Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke. Plastic Bags (i.e., super sacks): Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill, or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
