## A DOUBLE ACTING — CLEANER-DISINFECTANT — PERFORMS BOTH FUNCTIONS IN ONE SIMPLE OPERATION

GERMAKLEEN can be safely used on any surface that will not be harmed by water alone. Works equally well in HARD or SOFT — HOT or COLD water. Removes grease and soap curds. Brings back the original surface lustre and finish. The powerful sanitizing action works wonders in eliminating bacterial odors. GERMAKLEEN will Clean, DEODORIZE, DISINFECT and SANITIZE in one operation, saving labor and material costs.
