

[6900-5]

**INSTRUCTIONS:**

**Mushroom Packing & Canning Plants:**

For the control of flying insects fog at the rate of 1 oz. for each 4000 cu. ft. of space. Direct fog away from tables and equipment. Cover food-stuffs and equipment to protect from falling insects. Extinguish all pilot lights and open flames before fogging. Shut off air conditioning, but keep all fans and blowers running to facilitate dispersal of the fog.

**DILL**

U. S. D. A. Reg. 6900 - 5

A highly concentrated fogging insecticide containing pyrethrum and piperonyl butoxide in a special base oil specifically formulated for use in the

**Dym-Fog '70'**  
TRADE MARK

thermal fog generator in mushroom growing houses. Do not use formula M 50 in mist sprayers or mist foggers in mushroom growing houses as a residue may result causing burning of the mushrooms.

**Mushroom Growing Houses:**

For control of Sciarids, Phorids, Cecidomyiids, and certain other insects found in mushroom growing houses, fog at the rate of 1 oz. of Formula M 50 for each 1000 cu. ft. of space.

Direct fog to the floor. Do not allow fog to hit mushroom beds within 8 ft. of end of gun. Extinguish all pilot lights and flames before fogging. Shut off refrigeration, but keep all fans and blowers running to facilitate dispersal of the fog.

**READY TO USE:**

This insecticide is ready to use. Do not add anything and do not dilute with base oils as "burning" of mushrooms may result.

**FORMULA M 50**

**PYRETHRUM FOGGING INSECTICIDE**

FOR THE CONTROL OF FLIES IN MUSHROOM HOUSES AND MUSHROOM PACKING, PROCESSING, AND CANNING PLANTS WHERE MAXIMUM EFFECTIVENESS IS DESIRED WITH THE USE OF MINIMUM AMOUNTS OF BASE OIL

Active Ingredients 100  
Contains

Active Ingredients:	By Wt.
Pyrethrins	50%
Technical piperonyl butoxide**	25.0%
Aliphatic petroleum distillate	97.00%
	Total 100.00%

\*\* 1,1-dimethyl-3-(2,4,6-trimethylphenyl)-4-pyridyl-piperonyl ether and its 50% related compound

MANUFACTURED BY THE J. J. DILL COMPANY  
1407 RAVINE ROAD, KALAMAZOO, MICHIGAN P. O. BOX 788

**CAUTION:**

Harmful if swallowed. Keep out of reach of children. Avoid contamination of Feed and Foodstuffs. Use as a space or fog spray in food handling and food processing areas only when plant is not in operation and exposed foods are removed or covered. Food handling surfaces should be cleaned before reuse.

Do not fog in presence of open fire or flame.

Combustible liquid, do not use, spill, pour or store near heat or open flame.

Lot No.
